Mixing Business With Pleasure

new hampshire college

class of 1990

New Hampshire College's class of 1990 has learned and experienced how to "mix business with pleasure." It started four years ago when most of us left home for the first time. We decided then, how we were going to "make it" through college. As the years passed, we worked hard. Agonizing through ENG 110 & 111, struggling through CIS 100, and making friends through it all. We got involved in many activities, Intermurals, Clubs, Fraternities & Sororities . . . We gave support to our school teams, Soccer, Basketball, Lacrosse, Baseball, Hockey . . . We celebrated our victories and shook off our defeats. We basked in the sun and played in the snow. Throughout this all we were visiting the library, spending hours in the computer lab, and pulling all nighters on projects. As a class, we had one common goal, May 12, 1990. Our senior year made us work even harder toward that goal. Strategic Management and the Institutional Writing Exam scared us all. Four years of a college career has gone by. After all the work and all the play; After all the ups and all the downs: we "made it!"

Take a look back at how we, the class of 1990, enjoyed "mixing business with pleasure . . ."

Athletics is just one of the ways that we mix business with pleasure. We get down to business by practicing long, hard hours, and sacrificing ourselves, both mind and body, to our coaches and teammates. And, we get pleasure from playing the games and reaping the benefits of those grueling hours of practice by competing and winning!

PENMEN SOCCER KICK THEIR WAY TO THE TOP!

This year the men's soccer team overcame their playoff jinx they encountered last year and went all the way to capture the NCAA Division II National Crown.

The championship, the first national title for any men's team sport representing a college from New Hampshire, came to New Hampshire College following a tough playoff schedule which opened ominously with a loss to perennial nemis Southern Connecticut, in the New England Collegiate Conference title game. Despite the loss, the Penmen, on the strength of their regular season play, (18-0-2), earned top seed in the NCAA Regional tournament, a bye in the first round, and home field advantage for their first contest.

The Penmen received a little help from their first opponent Mercy College who, competing in their first NCAA tournament since 1979, ended Southern Connecticut's season in the opening round in a game which was decided on penalty kicks.

It looked like the Penmen were not going to be able to shake the playoff jinx, as Mercy jumped out to an early 1-0 lead ten minutes into the game. Junior back Steve MacKenzie, returned the favor 39 seconds later to tie the game, but Mercy scored again and went into the dressing room at half time ahead 2-1.

Rootes ignited his team during the intermission and the result was a quick second period goal by senior Jon Guppy. Freshman Totty O. Totty from Nigeria, closed out the scoring booting home the winning goal with 10 minutes left in the contest and ensuring New Hampshire College's trip to the final four.

The NCAA Final Four tournament was hosted by the University of North Carolina in Greensboro and New Hampshire College's first opponent was Western Regional Champion Cal State-Hayward with a goal each from Totty O. Totty and Archie Harlow.

The win propelled NHC into the championship round the following day against tournament favorite and five time Division III champion University of North Carolina-Greensboro. UNCG advanced to the final by defeating Gannon University 4-2.

NHC's scoring leader Ike Ofoje, scored the game's first goal seven minutes into the game on a pass from Rob Chapman. UNCG tied the game six minutes later. Archie Harlow of Plymouth, MA, put the penmen ahead to stay at 15:30 of the first half, and added an insurance goal with five minutes remaining in the game.

Eight players were named to the All-NECC team: Adam Gillam, first team; Ike Ofoje, first team and MVP; Totty O. Totty, second team and Rookie of the year; Archie Harlow, second team; Mike Martin, Steve MacKenzie, Jon Guppy, and Ricky Bapst, first team.

Ike Ofoje and Jon Guppy were also named first team All-Americans and Guppy added Academic All-American to his list.

Guppy, Totty, Ofoje, Bapst and MacKenzie were named to the All-New England Team.

Archie Harlow was named NCAA Tournament Offensive MVP, and Mike Martin was named NCAA Tournament Defensive MVP.

LADY PENMEN WIN UNPRECEDENTED FOURTH ECAC TITLE!

The 1989 season proved to be a historical one for the Lady Penmen soccer squad. The Lady booters came out of the blocks fast going undefeated through their first 13 games with a 10-0-3 record, winding up the season ranked 8th in the nation.

During this torrid streak, Head Coach Peter Tufts earned his 100th career victory, a 1-0 win over Stonehill College. Coach Tufts wound up the season with a career mark of 108-30-7.

In addition to these impressive marks, the Lady Penmen, who finished the year at 15-4-1, went on to win the ECAC title for the second year in a row and fourth time in the last seven years with an exciting 3-1 triumph over West Point in the finals.

As one might expect from a 15-1-4 squad, there were plenty of All-Stars named during the post season. Leading the way in All-Star Accolades was senior Torrie Fitzpatrick. Torrie, who was second on the team in scoring with six goals and one assist, was named a first team All-American as well as First Team NEWISA (New England Woman's Intercollegiate Soccer Association) and first team All-New England.

Other All-Star recipients included senior Leslie McIntire (1st team NEWISA and New England Regional), junior Stacy Blodgett (2nd team NEWISA and New England Regional), sophomore scoring leader Laine Short (team high 11 goals and 3 assists), and net-minder Debbie Wisniewski (8 shutouts) also hauled in All-Star honor. Finally, rookie sensation sweeper, Marli Freibel was named to the New England Regional All-Star squad.

The lady booters will be losing the services of four seniors, however, under the leadership of Coach Tufts the women should continue to perform and defend their ECAC crown.

WOMEN SPIKERS LOOKING TO IMPROVE

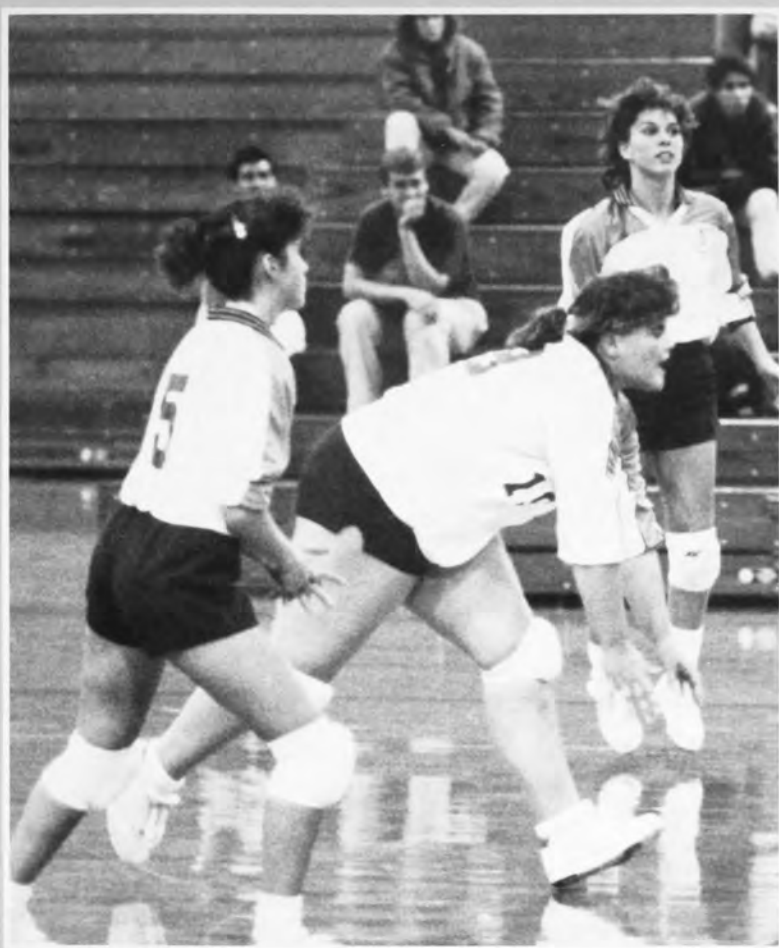

The NHC volleyball squad showed some signs of improvement during this 1989 campaign.

In what can best be categorized as a discouraging season, the 1-18 spikers hung tough. The Lady Penmen won just five games all year, however, three of those victories came near the end of the season, one against a tough Franklin Pierce squad and the second against a scrappy Daniel Webster team.

The Lady Penmen had a penchant for playing folks tough all season, only to go down in defeat at the end. The squad overcame their late game problems in their match with Daniel Webster. Without a match to their credit, NHC set down DWC in straight sets behind the powerful play of Heidi Duclos, Erin Boyle and Dorothy Bonner to give the ladies their first and only match of the season.

The Lady spikers are not graduating any seniors this season, couple that with a fresh new face at the coaching position and one can definitely see the light at the end of the tunnel.

Surprising Success!

THE 1989-90 PENMEN HOOP TEAM FINISHES 26-6!

While many people thought the New Hampshire College Penmen would be competitive this year, few anticipated that the youthful yet talent-filled squad would be the top seed in the New England Regional NCAA Tournament at the end of the season. Although the Penmen were upset by St. Anselm 94-89 in the first round of the NCAA playoffs, the squad still put together one of the most successful seasons ever for an NHC hoop team.

Picked to finish fourth in the pre-season New England Collegiate Conference coaches' poll selected at media/coaches luncheon, the Penmen surprised the league by tying a school record of 26 wins set during the 1968-69 season. The Penmen also set a school record by winning twelve straight games to open the season. Stan Spirou's boys also made history by capturing the school's first men's NECC basketball title with a thrilling 85-84 victory over the University of Bridgeport.

Senior co-captain and NECC first team All-Star Kirk Jackson would be a logical choice to make when looking for NHC's impact player. Jackson finished the season ranked second in the league in scoring, averaging 22 points per game. He was also ranked in the top ten in the nation in free-throw percentage nailing 87% of his shots from the charity stripe. Jackson finished his career at NHC with 2097 total points which is second only to Cleveland Woods' 2247, he was named All-ECAC.

Freshman point guard Chris Tate, who stands at 5'6", averaged 12.9 points and 6 assists per game. Fellow freshman Will Flowers (Norwich, CT) averaged 9.1 points and 6 rebounds per game. Sophomore Kevin McCarthy was second on the squad in scoring, averaging 14.4 points per game and 4 rebounds. McCarthy also brought home MVP honors in the conference tournament and was named to the NCAA New England Regional All-Tournament team. In the consolation game of the New England Regional Tournament McCarthy set a school record hitting 9 three pointers.

After suffering a broken nose at the beginning of the season, junior Willie Scurry (Brooklyn, NY) recovered and gave the Penmen some strength inside. Scurry finished the season averaging 9.1 points per contest and led the team with 6.6 rebounds per game. Freshman Joey Castronovo (Staten Island, NY) was another big contributor who came off the bench on many occasions and gave the Penmen a much needed boost. The 6'4" guard/forward averaged 18 minutes per game and netted 7 points a contest.

After failing to make the NCAA playoffs the past two seasons, head coach Stan Spirou turned the fortune of NHC around and put together one of the most successful Penmen campaigns ever. Spirou is the all-time leader in winning percentage for NHC head coaches with 102 wins and 49 defeats for .693%. Spirou was named the Kodak New England Regional Coach of the Year.

A Balanced Attack

LADY PENMEN FINISH BEST SEASON EVER!

The 1989-90 Lady Penmen hoop squad re-wrote history this season as they compiled the most wins ever (22) on their way to their first New England Collegiate Conference Championship. NHC downed cross state rival Keene State College 75-63 in the tournament final to claim the conference crown. At the beginning of the season no one would have believed that the 12-15 squad from last season would become the most dominating team in the conference in a matter of one year. Although NHC lost their first round NCAA playoff game to St. Anselm 86-73, it was truly a stellar season.

The headline story was certainly the play of senior captain and Kodak All-American Julie Dabrowski (Dover, NH). Dabrowski became the NHC all-time leading scorer with 1,713 career points. In recognition of her contributions to the success of the Lady Penmen hoop campaign, Dabrowski was awarded both the NECC and the ECAC Most Valuable Player of the Year trophies. In addition, Dabrowski is a nominee for the Champion Products' National Division II Player of the Year award.

Another big gun in the Lady Penmen arsenal was junior Julie Ciarcia (Methuen, MA). Ciarcia was sidelined most of last season due to a broken ankle, and this season she was determined to make up for lost time. The six foot center led the team in rebounding with an average of 7.9 per game and was second on the team in scoring with 16.3 points per game. For her efforts, Ciarcia was named to both the NECC and ECAC All-Star teams.

Senior forward Kristen Breyer (Leonia, NJ) and junior point guard Michelle Ayotte (Londonderry, NH) both made major contributions to the squad this season. Ayotte almost single handedly defeated the Keene State Lady Owls for the NECC championship; she netted 19 points and sparked the team to victory with her intense play. Ayotte led the team in assists with 5 per game, and she was second in steals with 2.2 per contest. Captain Kristen Breyer was the third leading scorer on the squad with 9.3 points per game, but her biggest contribution was her leadership.

Lady Penmen head coach Nancy Rowe Dreffs has reason to be optimistic about the future with the emergence of some very good freshman on this year's squad. Laurie Morrill (Concord, NH) came on strong at the end of the season, averaging 13 points per game in the last four games of the season. Sheila Helwig (Candia, NH) was a major contributor coming off the bench; she had 5 games in which she hit double figures.

Dreffs should certainly get her share of votes for comeback coach of the year honors after returning this season after a one year sabbatical away from coaching. Dreffs took a team that finished next to last in the conference standings last year and whipped the team back into shape. She added some freshmen role players and took essentially the same team to the top of the league for their first NECC crown.

N'Ice Going!

PENMEN SKATERS SURPRISE LEAGUE

In 1989, the Penmen ice hockey squad finished dead last with a lowly 3-20 record. In 1990, not much was expected of the young team, so when NHC made the ECAC playoffs with an 11-7-2 record, many people were caught off guard.

The main question asked of this years team was, are they really this good? Well, the answer is yes. NHC proved their prowess with victories over the likes of Southeastern Massachusetts University, Southern Maine, and Stonehill.

NHC's turn around can be attributed to a strong young defensive unit. Heading up the defense was ECAC goalie of the week Brian Bradley who tended net in all 22 Penmen contests.

On the offensive side, Mike Cooney and Jim Villa provided the necessary punch to propel NHC to their first ever ECAC play-off victory, a 4-2 triumph over Southern Maine. Cooney and Villa both ended the season with 32 total points. Each netted 17 goals and dished off 15 assists.

The Penmen eventually bowed out of the play-offs after a tough second round loss to powerhouse Fitchburg State 10-4. But, a 12-8-2 record was more than anyone could have hoped for and an ECAC playoff victory was more than anyone had deemed possible.

Now that the Penmen have had the taste of victory, one can only wonder how far this upstart hockey squad will take their quest during the 1990-91 season. One thing is for sure, however, nobody will be taking them lightly next year.

Looking Ahead

WOMEN'S TENNIS

The New Hampshire College Women's tennis team is still holding their own. Continuing on with a small squad, they are able to look to the future to bring them success. With only one graduating senior on the team, Darcy Toupin, the remaining members can work together to make future seasons even better. Also, new coaching is being added in the following season. This can lead to more strength within the team.

LACROSSE FINISHES BEST SEASON EVER AT 8-3

In his second season at the helm of the Penmen lacrosse program, Head Coach Paul Calkins led the sticksters to the finest season in the programs history with an 8-3 season tally. Season highlights included wins against New England powers St. Michael's (16-13) and Norwich (15-10).

Senior Bob Champey emerged as the offensive spark plug for the Penmen from his forward position. The Concord, MA native led the team in both assists with 27 and total points with 45. Fellow senior Jason Dameo (Bridgewater, NJ) led the team in scoring with 33 goals. Dameo was the man that Calkins looked to in the clutch when the Penmen needed a goal. Freshman sensation Rick Flavin was right behind Dameo with 32 goals and 7 assists. The youngster from Cheshire, CT will be a man to watch next season for NHC.

Senior captain Marco D'occhio was the heart and soul of the Penmen squad in 1990. The Midfielder from West Hartford, CT provided the crucial leadership needed for any successful team. On the season D'occhio netted 13 goals and 17 assists.

Senior Brian Porter (Pittsfield, NY) and junior Jim Marsh (Avon, CT) were the engines of the squad from their mid-field positions. Porter netted 12 goals and 13 assists and Marsh added 17 goals and 14 assists but their biggest contributions were how they controlled the middle of the field for NHC.

BASEBALL FINISHES UNPREDICTABLE 10-18 SEASON

It was a confusing season for the New Hampshire College boys of summer. After opening the season with an exciting 4-3 victory over #6 nationally ranked Slippery Rock University, the Penmen suffered through a roller-coaster season.

Talent was abundant and several individuals had outstanding seasons. Senior co-captain Gregg Crerar led the team with a lofty .322 (28-87) average and finished second on the squad with 8 doubles. Following close behind were co-captain Norman "Pugga" Routhier, Abie Berggren and Jim Cardello. Routhier took home the MVP award in 1990 for his efforts with the bat as well as on the mound. The senior righty finished with a 4 and 6 mark and chalked up 2 saves while striking out 40 over 64 innings. At the bat, Routhier was a wrecking crew hitting a stellar .318 with 23 RBI, 6 homeruns and 8 doubles. Berggren was a fixture at second base. The scrappy junior finished second on the team with a .319 average and led the squad in stolen bases with 9. Cardello finished strong leading the team with 9 doubles while batting .303 with 15 RBI.

Senior catcher Brian Dalphonse finished up his NHC career hitting a steady .263 while driving in 16 runs. He also threw out 15 of 50 attempted base stealers, often pegging them out from his knees.

SOFTBALL LIMPS THROUGH 1990 SEASON

The Lady Penmen completed a arduous 6-24 season, barely surviving an injury riddled season in the process.

During the pre-season, the outlook was hopeful. A solid core of returnees combined with some fresh, young talent had Coach Michael DeBlasi looking forward to a very competitive season. Unfortunately for NHC, the injury bug bit several players and the squad was reduced to ten healthy players for most of the year. Lani Short, Tara Labastie and Lauri Bruno all suffered season ending injuries, while a host of "healthy" players were forced to play through minor impairment.

Despite the teams lowly record, their were several standout performers on the 1990 edition of the Lady Penmen.

Stephanie Holt garnered team MVP honors for her pitching prowess. The Junior fireballer hurled 86 innings striking out 50 and wound up with a dazzling 1.88 ERA. Holt finished 4-9 but, the poor record was a reflection of NHC's sporadic offense.

The other two wins belong to Sophomore Aimee Chasse who finished with a respectable 4.51 ERA and a deceiving 2-7 record. Freshman Heather McIntire exploded onto the NECC with a team high .355 batting average. McIntire also led the squad in RBI, with 16, and Game Winning Hits with 3.

Other bright spots on the NHC squad were Susan Frey, (.293 BA), who came up with some of NHC's more memorable catches from her leftfield position. Captain Moira Canty also sparked the Lady Penmen with her .279 average and her willingness to play through several nagging injuries which hampered her play. Catcher Lynne Smith provided a good backstop for the pitching corps and finished third on the team in on-base-percentage reaching on a .350% clip.

IN MEMORY OF . . . ASHTON EDWARDS

Now the sun's gone to hell
And the moon's riding high

And every line on your palm
We're fools to make war
On our brothers in arms

ONE LAST LOOK!!!

NEW HAMPSHIRE COLLEGE

A Letter From The Editors

To The Class Of 1990:

CONGRATULATIONS!! It looks like we made it!

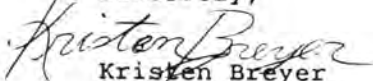

Here is your copy of the 1990 Enterprise. Our goal was to create a yearbook that will enable you, in 5, 10, or 15 years, to look back and reflect upon your years at N.H.C. We also wanted to give you the largest and best yearbook ever. We hope we have accomplished this goal and that you will enjoy your yearbook forever.

The task of completing this book was not easy, but very worthwhile. We would like to take this opportunity to thank Jim O'Keefe from Jostens and Marty Bradley, advisor, for all their help. We would also like to thank and show our appreciation to all those individuals who gave up their time and put in their efforts to make the 1990 yearbook a success. Thank You!

Creating a book of memories for the entire class was a very rewarding experience. We are sure you will be enthused with the outcome of all the efforts put into this book. ENJOY!

Good Luck and Great Success in All that You Do!!

Sincerely,

Kristen Breyer
Co-Editor

It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of Light, it was the season of Darkness, it was the spring of hope, it was the winter of despair, we had everything before us, we had nothing before us, we were all going direct to Heaven, we were all going direct the other way—in short, the period was so far like the present period, that some of its noisiest authorities insisted on its being received, for good or for evil, in the superlative degree of comparison only.

Charles Dickens
