Life is like a ferris wheel

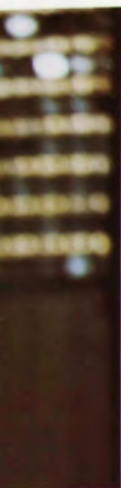

It Keeps on turning without feel

# *Dedication*

Think of the importance of friendship in the education of men. It will make a man honest; it will make him a hero; it will make him a saint. It is the state of the just dealing with the just, the magnanimous with the magnanimous, the sincere with the sincere, man with man.

Henry David Thoreau

Gentleman.  
It overwhelmed me on the  
Choice of meals offered on  
Wednesday of this week.  
The Lamb Patties was of such quality  
and a reasonable amount. The Best  
Deal yet for the money

Suggestion 5:

- 1) Butter Crunch Ice Cream
- 2) Peppermint Stick Ice Cream

Dear Sirs  
The meal served for lunch on  
Wednesday Jan. 26 was something that  
made Students, Faculty, even people working  
in the Kitchen LAUGH!! The lamb patty  
about the size of a half dollar, priced at  
\$1.10, was unreal!!!  
I hope that meals such as these  
do not continue

Cook  
IT/0

Also  
Instead of diet tab, Pepsi, or fresca,  
I believe you'd have better results in  
ordering variety flavors of Diet Shasta  
soda instead. It tastes alot better!

To Food Service

Why is it that in almost everything  
you cook, you put mushrooms in?  
Some people don't like mushrooms and are sick  
of trying to pick them out of the food.

If you must have mushrooms why don't you  
offer them as a side dish. Not mixed in with  
the food itself!!!

# Gradu

May 7

You'd think by now that Dr. McCausland could dress himself.

The distinguished graduate.

Congratulations Michele

Michele's father, Reverend F. George Arndt

Martin Agronsky

For over twenty years Martin Agronsky has had a distinguished career in television news reporting--as a correspondent, a commentator and news analyst. He has worked with all three major networks starting as an NBC war correspondent in the 1940's. Currently hosting "Agronsky At Large," produced by the Public Broadcasting Service, he interviews the world's major political figures. His conversations with these world leaders are incisive and penetrating. With pride, therefore, New Hampshire College names Martin Agronsky as alumnus and recognizes in his achievements a challenge and inspiration to youth.
