THE QUILL

"Something there is more needful than expense,
And something previous e'en to taste--tis sense:
Good sense which only is the gift of heaven
And though no science fairly worth the seven."

Pope

IN APPRECIATION

Dean Edward Shapiro

We are proud of the accomplishments of our Dean, Mr. Edward Shapiro, in his efforts to furnish Northern New England with well-educated business leaders.

Many of the achievements, such as the accreditation of our college by ACBS, the development of the Junior and Senior college plans, and the charter to grant both Associate and Bachelor degrees of Business Science would not have materialized without his dedication.

The students of New Hampshire College admire and respect Mr. Shapiro as a leader and friend, and justly so.

"Lives of great men all remind us
We can make our lives sublime,
And departing, leave behind us
Footprints in the sands of time."

Longfellow

What was this unique and inexplicable characteristic innate in this man which so unabashedly led us to put away foolish thoughts and petty trifles, and which made us aware of the dignity of man? Call it a deep realization of one's purpose or perhaps a reflection of man's ever constant effort to arrive at perfection whatever it be, to ignore and not benefit from the principles and ideals which this man stood for would constitute the greatest act of disrespect ever accomplished in our time.

ATHLETICS

"And to complete the whole man,
A sound mind in a sound body."

Juvenal

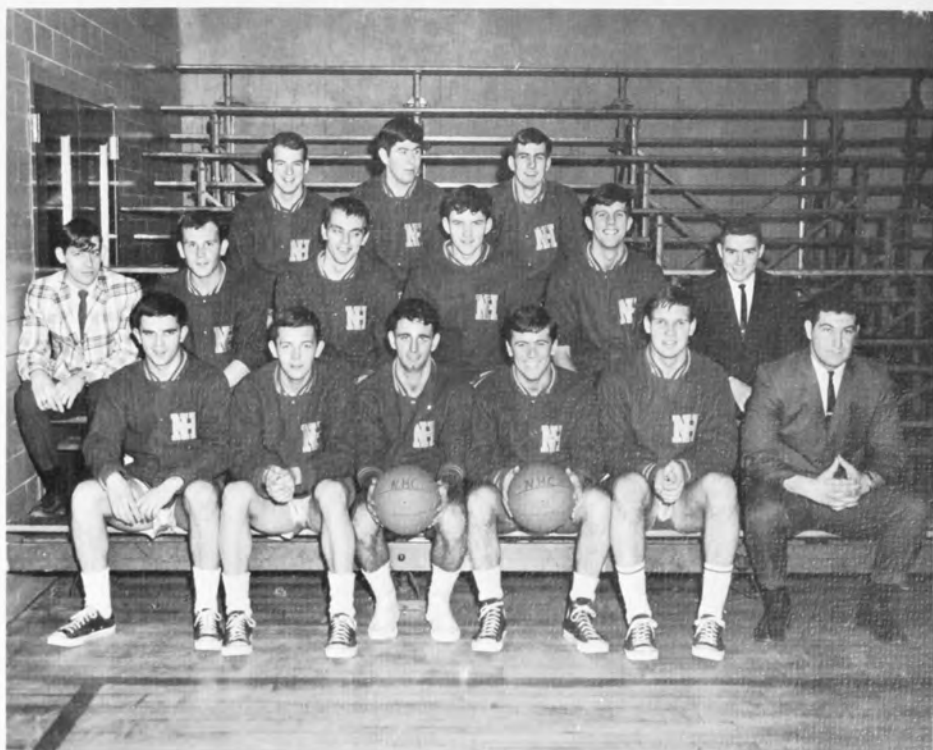

No college would be complete without a good athletic program. There would always be that intangible something missing from the school curriculum. Beyond a doubt the sports program is a major factor in the development of the individual and very instrumental in bringing the student body closer together.

The expansion of the athletic program to include more of the major sports, increases the rate of student participation which is vitally necessary for the development of character and sportsmanship of the student.

It is heartening to see that our athletic program at NHCAC is developing concurrently with the rapid academic growth of our college.

BOWLING

As an extracurricular activity, our bowling team was very successful.

A high degree of competition prevailed throughout the year, thereby sustaining the spirits of the students.

SKIING

N.H. College's ski team, due to the competence and determination of its members, proved itself to be one of the top teams in the Central New England Ski League. As a first-year team, they achieved a high degree of success and in the future will undoubtedly take its place among the unrivaled.

A new sign for the New Hampshire College was dedicated at the College semiformal Valentine dance.

The new sign was presented by representatives of all classes at the college with a formal dedication given by David E. Snyder of Hartford, Conn., a Junior, who organized the campaign from Sept. to Feb., 1966.
