

NEW ENGLAND CIRCLE  
PARKER HOUSE  
BOSTON, MASSACHUSETTS  
NOVEMBER 24, 1974

Welcome to the third dinner discussion of the New England Circle with Guest Speaker, Kenneth M. Curtis, Governor of Maine.

Our purpose is to assemble with others for discussion of social, political, literary, and educational topics, having as a common goal the exchange of ideas and opinions that can lead to constructive change in our nation and in our personal lives.

Previously appearing at the New England Circle were Richard N. Goodwin, author and speech writer for Presidents Kennedy and Johnson; and Dr. Henry Steele Commager, historian, essayist, lecturer, and editor.

... Others have said of Ken Curtis. . .

"When Ken Curtis leaves office in January, 1975, he will bring to a close one of the most creative and energetic eras in the history of Maine state government."

SENATOR EDMUND S. MUSKIE

"Ken Curtis . . . has fulfilled his mandate as he saw it in accordance with a conscience attuned to the best interests of the people he served, in a grand style — truly a 'man for all seasons'."

SENATOR WILLIAM D. HATHAWAY
