"So many of you showed true passion in your involvement with clubs and organizations. I encourage you to take that passion and apply it to all that you do. If you are truly passionate in your endeavors, success will surely follow."

- Professor Doug Blais
Message to the Class of 1999:

It is getting harder and harder to say good-bye each year to the graduating classes at New Hampshire College, and this year's class is no exception. I have made new friends in the class of 1999, and I am confident that even though you have finished your commitment for your degree, you are not done with your promises to remain active with the New Hampshire College community.....you have my sincere wishes for success and even more important...my sincere desire for happiness....smile.

- Pat Spirou

Blessings to the Class of 1999:

May your faith sustain as you journey through life. Your faith will be with you in good times and bad. Always remember that it is not material wealth that brings happiness, but loving what you do that is most important in life. Each of you has been given special gifts by God. Use them to make the world a better place to live. May you never have a "me and I" attitude but rather a "we and us" attitude and you will be a true success.

- Father Bruce Collard
SGA

SGA had another successful academic year! Together, the committee which is made up of 5 representatives from each class and other student governing boards and councils worked diligently to focus on the needs of the student body. SGA sponsored the annual Welcome back BBQ, Annual Midnight Madness, & the Executive Committee Semi-Formal. Another great feature that SGA contributed to NHC is the re-renovated Clubs and Organizations suite.
CAPE

CAPE, NHC's campus programming committee provided us with so many memorable and enjoyable events this past year. Perhaps one of the most memorable events for the class of 99 would be the Everlast Concert. Other CAPE sponsored events such as the comedians in the Pub, the major weekends, the evening of elegance, BBQs and bands have all been such a great time to remember.
ACE

The Association for cultural exchange (ACE) is a New Hampshire College club that exists to increase the interaction between International and American students and to create a better understanding of the different cultures at New Hampshire College. This past year Ace sponsored the annual “International night” and was recognized for program of the year for their outstanding effort and creativity in organizing the “International Bazzarre”.

46 Clubs and Organizations
IGC

Inter Greek Council (IGC) is an organization that promotes activities for all of the Greek organizations at NHC. The purpose is to have the Greek organizations interact with each other as well as the campus community. This year IGC has sponsored programs such as the blood drive, greek games, leadership conference, and a number of community service events.

New Hampshire College, reflecting a long tradition of American colleges and universities, recognizes the value of student organizations, clubs and groups which are in harmony with the basic principles and goals of the College. To these various groups, who embody the goals of New Hampshire College, the school lends its name, support and resources. In this sense, the College, exercises its rights and responsibilities, affirms such groups as legitimate and productive agents within its larger community. Refusal or withdrawal of recognition or approval from an organization is also the right and responsibility of the College. Because the College is a governed community with ultimate authority residing in the Board of Trustees, which delegates to the President, and through him/her to various administrative officers and recognized campus bodies; the process of recognizing, supporting and furthering a given student club, organization or group is a shared responsibility.
“Where ever you go, whatever you do, remember that the bonds of brotherhood and sisterhood will be everlasting.”

Paula Shapazian
Greek Life:

There are four national fraternities, one national sorority, and three local sororities on the NHC campus which comprise what is commonly known as the “Greek System”.

Since their inception in 1969, Greek organizations have played an integral part in developing both social and leadership skills in NHC students. College is more than just studying and grades, it is a unique living and learning experience in itself. Part of the idea behind college is to promote education in life, which is gained through interaction with peers. The Greek System offers opportunities for this interaction through involvement in scholarship and leadership activities, community service, and social programs. The Greek System offers many channels through which a student can get involved, besides his or her organization. The organizations are members of the Inter-Greek Council, hold many social events and participate in inter-fraternity and sorority athletic activities. More importantly, they promote community service projects and conduct fund raising drives to serve various community organizations and public service agencies.

The women's soccer team suffered its first losing season in 15 years and closed out this year with a 6-11-1 record. The team improved to 5-6-0 following back-to-back wins over Assumption College and Saint Michael's College, but managed to win just one of its final seven games. Senior Katie Sugrue and junior Kelly Landon paced the offense. Sugrue totaled a team-high 20 points (8 gls, 4 asts), while Landon chipped in 17 points (7 gls, 3 asts). Forward Heather Klorer, an All-New England pick last year, missed the first four games with a knee injury and then suffered a broken leg in the win over St. Michael's. All-NECC midfielders Rosie Power and Sophia Odre ranked third and fourth on the team in scoring. Junior Anna Salvatore started all 18 games between the pipes and posted a 2.13 goals against average and three shutouts.
Women's Soccer
Men's Soccer
For the third time in seven years, the New Hampshire College men’s soccer team found itself just one win away from the Final Four of the NCAA Division II Tournament. Once again a familiar nemesis denied the Penmen a shot at their second national title. As it did in 1992 and in 1997, Southern Connecticut State University brought NHC’s season to an end in the quarterfinals at the national tournament. NHC closed out the year with a 16-3-2 record after the Owls posted a 4-2 victory over the Penmen in the NCAA Tournament. NHC had advanced to the second round of the tournament following a 4-1 victory over rival Franklin Pierce College. Under the direction of first year coach Tom Poitras, the Penmen went undefeated over their first 11 games (10-0-1) and closed out the regular season ranked 6th in the nation with a 15-2-2 record.

The New Hampshire College women’s cross country team continued to show improvements this year. The women’s cross country team finished their season at the New England Collegiate Conference Championships in Albany, NY. West High graduate Jean Tuson paced the women’s team and finished 69th among the 128 runners with a time of 21:17. Jean finished first for the team in each of the team’s six races. Softomore Tara Cowdrey recorder a season-best of 22:53. Junior Lynn Beal and freshman Jaime Davidson finished their last race of the season with times of 24:20 and 24:21, respectively. Softomore Melissa Cowdrey also finished with a season best with a time of 31:10. Softomore Melody Jones, sat out the last two race with an ankle injury.

Men's Cross Country
The New Hampshire College men's cross country team finished their second season with a strong showing at New England Collegiate Conference Championships in Albany, NY. Senior Brain McLeod established a NHC school record with a time of 28:49 for. He is the first runner in the history of the program to finish a race in under 29 minutes. Junior Johan Brandt finished the last race with a personal best 29:05. Senior Joshua Matthews turned in a strong effort, as he finished third among NHC runners with a season best time of 31:47. Sophmore Mike Lascelles and Senior Eric Lombardo both posted personal best times. Lascelles finished 134th (31:55), while Lombardo finished 140th (32:40). Senior R. Stephen David recorded his second best time of the season (33:45), while sophomore Chris Laperle posted a time of 40:30.

The woman’s volleyball team posted a 9-12 record. The nine wins were the most since the 1986 season when NHC posted an 18-18 record. After winning just two of their first seven matches, the Penwomen won five of their next seven contests and evened their record at 7-7 following a 3-1 victory over Assumption College. Sophomore Jen Basiliere and juniors Jodi Stimson and Deb Milton paced the NHC attack. Basiliere led the team and ranked eighth among the NECC leaders in assists (472), while Stimsom and Milton led the team in kills (204) and digs (170) respectively.

Women's Volleyball
Men's Basketball
The New Hampshire College men’s basketball team won 14 of its final 20 games and closed out the year with a 20-9 record. Along the way the Penmen claimed the New England Collegiate Conference regular season and tournament championship and advanced to the NCAA Division II Tournament. For the second straight year NHC defeated rival Franklin Pierce College in the NECC Tournament championship game to earn an automatic bid in the NCAA Tournament. The team’s stay in the NCAA tournament was short lived, as St. Michael’s College eliminated the Penmen in the opening round, 87-76.

Veterans Orlando “Bino” Ranson, Tarik Sheppard and Bobby Miller provided the leadership. Ranson turned in another stellar season, as he led the team in scoring and assists for the fourth straight season. Bobby Miller averaged 14 points and lead the team in rebounds and steals. Junior Mitch Filson and senior Rob Welsh, provided the Penmen with depth and leadership.

While the effort and desire to win was evident all season, the New Hampshire College women’s basketball team suffered through a winless (0-27) season in 1998-99.

Junior Kristy Woodill made the most of a bad situation and enjoyed a very productive season. She opened the year with a 23-point effort in a loss to Merrimack and went on to average a team high 16 points a game. One of the top long-range threats in the region she ranked second among NECC leaders in three-point field goals (79). Kristy has totaled a 130 three pointers over her career and will enter her senior year just two away from the school record.

Additional offensive production came from juniors Jen Robinson and Tynae Gatson and sophomore Loretta Kavanaugh.

Women's Basketball
The New Hampshire College Cheerleaders comprised five seniors, three sophomores, and four freshmen. The cheerleaders began the season in late September and completed the season in early March, cheering on the Penmen basketball team.

The Tri-Captains for the cheerleaders were: Amy Lattum, Tatum Turner and Courtney McMennamin. Four of the five seniors have cheered for New Hampshire College for their four years at New Hampshire College providing strength, stability, and enthusiasm which was evident during game time. Aside from cheering for the Penmen, the cheerleaders have conducted fundraisers, served as volunteer tour guides for the office of admission, and performed at the statewide Kiwanis Cheerleading Competition for all high schools in the state of New Hampshire.

While the team will lose five members, the returning cheerleaders are sure to provide spirit for New Hampshire College.

The New Hampshire College hockey team capped off its most successful season in years by advancing to the NCAA Division II Championship series. While the Penmen were denied the national title by St. Michael's College, the team certainly lived up to some pretty high expectations during the 1998-99 season.

NHC's regulare season record was 16-6-1. NHC closed out the year with a record of 17-8-2. Their 17 wins were only one shy of tying the school record of most wins in a season.

Sophomore snipers Rich Miller, Dan Roy, and Chuck Croteau paced the offense all season. Miller lead the team in goals (24) and points (47), while Roy and Croteau both totaled 44 points. Junior Chris Holland, graduate student Marco deGrandpre and sophomore Rob Miller anchored the defense. Freshman goaltender Nick Roussel started 25 games and posted a school record 2.98 goals against average.

The team made the most of its first win of the year, as it exploded for 24 goals in a 24-3 over rival Franklin Pierce College and then followed up with a 19-8 victory at the University of New Haven three days later. The Penmen capped the season with a 16-7 victory over Assumption College in the first-ever night lacrosse game played on the NHC campus.

Rookie Mike Cesere and veterans Butch Howie and Jon Winton paced the offense. Cesere totaled a team-high 37 goals and 56 points and became the first rookie to lead the team in scoring since 1987. Howie totaled 31 goals and 17 assists, and recorded his 100th career goal during the season-finale victory over Assumption. Winton racked up 19 goals and seven assists. Junior Chris Devoe played every minute in goal and averaged 25 saves a game. He collected team MVP honors for his efforts.

The New Hampshire College softball team closed out the 1999 season with a 3-31 overall record and a 1-17 mark in the New England Collegiate Conference. Highlights of the season included a 4-1 victory over rival Franklin Pierce College and a doubleheader sweep of Daniel Webster College.

President's Message

Congratulations to the Class of 1999

I'm sure that you'll look back on your college experience with wonder and more than a bit of nostalgia. In just a few short years you have become independent and have matured significantly as a result of your New Hampshire College experience. Perhaps you even remember some of my remarks at Orientation when I urged you to have high expectations of yourself and others and to be persistent in the pursuit of your educational goals.

As with every new stage in life, your new level of achievement brings with it increased responsibility not only for your own future but for the future of others. Just as you have looked to your family and to the faculty and staff for guidance and support, others will now look to you for these same qualities. I am confident that your New Hampshire College degree will position you with strength for the next stage of life's journey.

I join the faculty, staff and the Board of Trustees in wishing you every success in your future endeavors. We have all witnessed your growth and development with a special pride and enthusiasm. As you leave New Hampshire College, know that you always have family here, family who care about you and your future endeavors. Please plan to return to the campus as alumni to share your success with us.

Sincerely,

Richard A. Gustafson

"This may or may not be the end of your formal education; but whatever the case the learning process should never end. Advances in modern technology will continue through the years to offer you the ability to grasp more knowledge than a dozen formal educations ever could. Take hold of that opportunity every day of your life and never let go.

Quotes From
Faculty and Staff:

“The class of 1999 has been the most memorable in my 21 years at New Hampshire College. From feshman year to graduation, you have made a significant impact at New Hampshire College while contributed a great deal to student life on campus. Many of you have touched my heart and will remain unforgettable. You’ve been the best!!!!!! You will be missed greatly!!!!”

- Polly St. Hilaire

“Too often individuals spend years, sometimes a lifetime, pondering the question, “what will my life be,” waiting for someone to provide “permission” for them to risk and grow. We must, rather focus on the question, “what will I make my life.” Give yourself “permission” to take risks and grow, applying what you have learned, and will continue to learn. Ultimately, your success will be measured by the “unique value” that you create for yourself and for those around you.”

- Dr. Marty Bradley

GOOD MORNING, FELLOW GRADUATES, PARENTS, FAMILY AND FACULTY AND STAFF. ON BEHALF OF ALL OF US GRADUATING TODAY, I WOULD LIKE TO THANK ALL THE PARENTS AND FAMILIES FOR YOUR SUPPORT IN MAKING THIS DAY POSSIBLE. I WOULD ALSO LIKE TO THANK EVERY PROFESSOR AND INSTRUCTOR FOR PUSHING AND PREPARING EACH OF US FOR THIS SPECIAL DAY.

THIS IS A GREAT DAY, WE ARE ALL HERE BECAUSE WE HAVE EARNED THE RIGHT TO BE HERE. OUR DEGREES, ARE DEDICATION, WHICH WE WERE FRESHMEN. THIS IS A WE ARE PRIVILEGED TO SAY GRADUATES, AN ACHIEVE- NEVER SEE.

IT IS TIME FOR US TO OUR EDUCATION, BUT OUR NEVER BE FORGOTTEN. BECAUSE OF OUR EXPERIENCE, THE CLASSROOM, WE HAVE PEOPLE AND AS STUDENTS LIFE'S NEXT CHALLENGE, AN EXCITING RIDE.

WHEN YOU THINK OF THIS CEREMONY AND RE- YOU HAVE ACCOMPLISHED, STUDYING FOR ALL THOSE FINGERS HURT FROM TYPING BECAUSE YOU HAVE HAD TOO MANY PAPERS DUE. MANY OF US DID EVEN MORE, WORKING OR COMPLETING AN INTERNSHIP WHILE KEEPING A FULL ACADEMIC LOAD, BEING INVOLVED IN ACTIVITIES AND CLUBS, ENJOYING THE COLLEGIATE EXPERIENCE. IT IS ALMOST OVERWHELMING TO THINK ABOUT IT, BUT WE ALL SUCCEEDED AND DID IT

IT IS A GREAT DAY, BUT ALSO A SAD ONE AS WE LEAVE AS THE LAST GRADUATING CLASS OF THIS CENTURY. WE HAVE GROWN SO MUCH AND BUILT SO MANY GREAT FRIENDSHIPS THAT IT IS HARD TO LEAVE. THIS COLLEGE HAS BEEN OUR HOME FOR SO LONG BUT IT IS TIME FOR US TO MOVE ON. REMEMBER YOUR EXPERIENCES THESE PAST YEARS. WHETHER IT BE, THE FRIENDSHIPS MADE ON THE ATHLETIC FIELD OR INVOLVEMENT IN A CAMPUS ORGANIZATION., WE HAVE ALL HAD A WELL-ROUNDED EDUCATION AND IT IS SOMETHING THAT NO ONE CAN EVER TAKE AWAY, WE HAVE EARNED IT. CONGRATULATIONS TO EVERY ONE OF YOU. DON'T FORGET THE MEMORIES THAT YOU HAVE MADE HERE, IT IS ONE OF THE BEST TIMES OF OUR LIVES, GOOD LUCK AND THANK YOU.

Don't Quit
When things go wrong
As they sometimes will,
When the
road you're trudging
Seems all uphill,
When the funds are low
And the debts are high,
And you want to smile,
But you have to sigh,
When care is pressing you
Down a bit,
Rest if you must
But don't you quit.
Life is queer
with twists and turns,
As everyone of us
sometimes learns,
And many a
failure turns about,
When you might have won
had you stuck it out.
Don't give up,
though the pace
seems slow -
You may succeed with
another blow.
Success is failure turned
inside out -
The silver tint of the
clouds of doubt.
And you never can tell
how close you are;
It may seem near
When it seems so far.
So stick to the fight
When you're hardest hit -
It's when things seem
worst that you must not quit.
