Mr. Edward Shapiro, President  
New Hampshire College  
North River Road  
Manchester, N.H.

Dear Mr. Shapiro,

I wanted to commend you on the creation of a true college atmosphere which I for one feel these days at the new campus on North River Road. After many years of emerging identity, I think we have finally arrived. I must also submit to you my resignation as a part time instructor in religion, effective March 9, 1973. Dean Grace and I are making arrangements to cover this semester's course right through to graduation in June.

As you must already know, I have been called to a new and exciting church in St. Louis, Missouri. It is with mixed feelings that I take my leave of Manchester, my church on Union Street, New Hampshire College, and my fraternity, Kappa Delta Phi. I have gained so much from my association with the students and faculty of the college, and will deeply miss being a part of the ongoing life of your community.

I have every confidence that the school will continue to prosper in body and in spirit, overcoming the gloomy awkwardness of adolescence, and entering its maturity with great strength, poise, and purpose. Our students, like everyone else, seem beset by a whirlwind of personal problems and dilemmas which cry out for attention. I have been particularly thankful for the tireless efforts of men like Mr. Larkin, Mr. Mitchell, and Mr. Bean in treating each student as an individual person of worth who happens to be down for the moment and in need of adult guidance and power.

If I may borrow the slogan of our fraternity to close my remarks this morning: "May the spirit never die", at New Hampshire College.

Sincerely yours,

Rev. Charles G. Van Ausdall
