## MURDER MOST FOUL

Do you want the death of the NHC Chorus on your conscience? If you like to sing, and can attend one meeting a week (Tuesday from 6 - 8 p.m.) in the Little Theater, you can also earn credit while doing something you like to do. MOST IMPORTANT, you'll prevent the impending early demise of the New Hampshire College Chorus.

This Tuesday's meeting had a total attendance of 9 people--including Director Mirabile and the pianist. Four students and three faculty and administration members turned out, but never got to sing, trying to figure out some way to get a healthy chorus formed--at least 16 to 20 members. Not much to ask is it, especially when we all know there's a lot of singing talent on campus. The chorus sings everything from madrigals, to spirituals to Godspell and Bach. TUESDAY, JANUARY 22 at 6 p.m. in the LITTLE THEATER. Hope to see YOU there!

# NEW HAMPSHIRE LUNG ASSOCIATION

December 19, 1973

Mr. Edward Shapiro  
President, New Hampshire College  
2500 N. River Road  
Manchester, New Hampshire 03104

Dear Mr. Shapiro:

Recently the New Hampshire Lung Association held its 1st. Annual Christmas Seal Ball. Four students from New Hampshire College donated their time and Friday evening to assist us with the event.

We received many comments on the excellent job they performed. Their names are Miss Mary Kelly, Miss Dianne Dube, Miss Marsha Patterson and Miss Jean Martineau.

We wish to express our sincere appreciation and co-operation to New Hampshire College and to these young ladies for their most generous assistance to our ball.

I know I speak on behalf of the staff and our Board Members in thanking you.

Best wishes for the Holidays.

Very truly yours,

*Peter Vatistas*
