SPRING WEEKEND

The Spring Formal Saturday night and the Brandywine concert Sunday afternoon are being sponsored by the Student Government Association of New Hampshire College. Admission to both these events is your "activity card".

The concert being given Friday night, however, is being co-sponsored by St. Anselm's College and the Classes of New Hampshire College. The tickets cost \$3 per person. This is a fund-raising activity - not just a student activity. New Hampshire College's share of the profits will be distributed to the classes in proportion to the number of tickets each class sells.

THE STUDENT GOVERNMENT CONSTITUTION is in the process of being revised. It is hoped that the revision will bring more student government to the STUDENT GOVERNMENT.

LAND HAS BEEN PURCHASED on the Manchester-Hooksett line for our new campus. Financial plans are now being made so that construction can begin. Currently, the plans for the new campus include an Academic-Administrative-Library building, a Men's Dorm, a Women's Dorm, and a College Center which will include a gymnasium, a lounge, and a cafeteria. These plans may be changed at any time.

TUITION for all full-time students for the Academic Year 1966-67 will be as follows:

\$800 per year

\$425 per semester

No deferred payment plan will be available directly from the college. Special cases will be handled by Mrs. H.A.B. Shapiro.

TEACHERS

Three teachers are not coming back next year. Miss Dixon and Mr. Babson are going on for their doctorates. Mr. Leonard is returning to his legal practice.

ADMINISTRATION

Starting in June, Mr. Beane will be Dean of Men and Miss Shapiro will be Dean of Women. Dean Beane will co-ordinate NHC sports and will be in charge of housing, discipline, and student activities.

COUNSELING

An expansion of the counseling services here is being anticipated.
