

THE CAMPUS AFTER DARK

THE LETTER "E"

In our English Alphabet
You'll find the letter "E";
A letter that is wisely used
I'll tell you why,--you see

It's used in spelling trEasury
In which we keep our currEncy;
It's used in spelling mE and
ThEE and even Mr. LEE,

In Mr. LEE you'll fin "E" twice
An honor because he is so nice;
A truEr friend you could not find
A friEndship whiCh is so sublime.

Now EffErvescE is full of "E's"
Of which we all should be,
You shouldn't always think of strifE
For being mErry is part of life;
Now don't you think that Letter "E"
Is used as wisely as can be;
Of course there may be others too
But for now our little "E" will do.

VENETIAN BLINDS AT NIGHT

No more does the moon shine in
our eyes,
No more does the teacher heave
those sighs:
No more do the stars distract
our minds:
And why?--because we have Venetian
Blinds.
