## NEW ENGLAND CIRCLE

"OUR PURPOSE IS TO ASSEMBLE

A DIVERSE GROUP OF CONCERNED INDIVIDUALS FOR DISCUSSION OF SOCIAL, POLITICAL, LITERARY AND EDUCATIONAL TOPICS; OUR GOAL IS TO EXCHANGE CHALLENGING IDEAS AND OPINIONS THAT CAN LEAD TO CONSTRUCTIVE CHANGE IN OUR LIVES, OUR NATION, AND OUR WORLD."

*New England Circle was established by the Dunfey Family after discovering a legacy they had inherited when they first acquired the historic Parker House Hotel in Boston. In 1857 Oliver Wendall Holmes, John Greenleaf Whittier and James Russell Lowell gathered regularly at the Parker House, inviting other great thinkers of their time to discuss important social and philosophical issues. They called themselves the Saturday Club. Inspired by the concept the Dunfey Family broadened its mandate and expanded its participation.*

*Since inception, 7,500 people have attended. Women and men of all races, nationalities and political beliefs, young and old, rich and poor; leaders from business, labor, civic and community organizations, academia, the arts, media, clergy make up the diverse fabric of the Circles. Circles are designed to be timely and highly participatory discussions of important topics facing our communities, cities, nations and world. All circles are free of cost to participants so accessibility is guaranteed.*

*Recently the Circle celebrated its 75th event and next fall marks its 20th anniversary. On this occasion the Board of Directors has agreed to expand the tradition even more broadly and will be hosting Citizens Circles in communities outside of New England. Tonight we welcome new and old members of the New England Circle to another Circle, and a new Circle, the first annual Citizens Circle.*
