Karen Grady, leading lady in two of the productions, is ill, and the show can't go on without a leading lady! ## ROTHMAN'S ROSTER

Tennis tryouts are still OPEN for the NHC men's tennis team. Professor Irving Rothman is searching for veteran or neophyte talent, as there has been no stampede of hopefuls to date. Coach Rothman commented today, "I'll take anyone who knows one end of the tennis ball from the other. Tell them that any student accepted on the team automatically gets preferential treatment in Rothman's classes!" (Professor Rothman, however, did not put this down in black and white in his own hand, so don't count on it, but do turn out for try-outs.) The tennis team needs YOU.

## HELP!

The Health Center's supply of small medicine bottles is almost exhausted. A new shipment is expected any day. We have had some on order since December, but the manufacturers are having problems too. Won't you please look through your rooms to see if you have some small bottles stashed away just waiting to be recycled! We can wash and sterilize them for re-use, and it's also good ecology! A. J. Larochelle, R. N.

## COME TO CHESS CLUB

From now on, the NHC Chess Club will meet regularly Monday through Thursday from 11:00 a.m. - 12:00 noon in the Student Lounge.

Do you know that our Chess Club will have 2 teams representing New Hampshire College at the U. S. Collegiate Chess Championships on February 9 and 10? The 5-round tournament will include 32 colleges from the New England region, and will be held at Central Connecticut State College in New Britain.

Members of the New Hampshire College teams are: John Burns, Class C player from Nashua, NH; Casey Gwozdz, unrated, from Adams, Mass; Roger Chretien, unrated, from Biddeford, Maine; Jerry McIntyre, a Class A player from Merrimack, NH. BEST OF LUCK, and do make all the right moves.
