NEW ADDITION

The NHC Office of Continuing Education has a new look this week with employee Mrs. Mary Brisson assuming secretarial duties on Monday.

A Manchester resident and native, Mary is a Manchester Central graduate. She is the mother of a 4-month old baby girl named Renee. Since Renee took up residence with the Brissons, Mary finds she has a ready-made, time-consuming and completely absorbing hobby.

While Mary lends able assistance to the Office of Continuing Education, her husband works at Fontaine's Carpets, Inc. and Renee waits patiently to keep them both busy (and happy) at the end of the day.

By the way, for conversational openers ask Mary what she did with her wedding ring!

SOUTHERN COMFORT

NHC went down by only 9 points in their Tuesday night game with Stetson University (101 - 92). The Penmen can take comfort in the fact that they were playing a team which had beaten Florida Southern, 17th ranking college basketball team in the nation. Our boys are really giving their all against super competition, and we're proud of them.
