BLUEGRASS AT NHC

On Saturday, February 23, NHC will present Don Reno, Bill Harrell and the Tennessee Cutups. The concert begins at 8 p.m. in the gym. The Cutups are the first and only bluegrass group ever to perform at the United Nations and a Presidential Inaugural. They have also played at most of the major bluegrass festivals as well as appearing on the Grand Ole Opry.

Don Reno was voted by the readers of Bluegrass Unlimited magazine "the 1971 Banjo Player of the Year." Don, a guitarist as well as a banjo player, was the original co-recorder of "Dueling Banjos." Bill Harrell, the rhythm guitar player and lead singer, has been Don's partner since 1966. The group also includes Ferris on bass and Buck Ryan, three-time National Fiddle Champion.

Appearing with the Cutups is the comedy team of Edmonds and Curley. This up and coming act has appeared with Johnny Carson, Dick Cavett, Mike Douglas and other television shows as well as in night clubs throughout the U. S. Currently touring college campuses in the Northeast, Edmonds and Curley will soon bring their comic genius to NHC.

INTERVIEWS ON CHANNEL 13

Because of the interest expressed in the interview of President Shapiro and Dr. Grace, the Activities and A-V Departments would like to offer more of this type of programming. If there are other persons at the college you would like to question (Dean of Administration, Admissions Staff, Activities Department, SGA President, etc.), please see Mrs. Lavine in the Activities Office. We would like either names of individuals or positions, specific questions about areas (food service, housing, veterans affairs, etc.) or any thoughts you might have. Depending on the interest expressed, we would make this into a regular (weekly, monthly?) program. The best time for the program should be indicated as well.

Brian Gorden - Director of Act.

Dick Ball - A. V. Director

THE WINNAHS!

NHC's Athletic Department had good reason to burst with pride last Thursday night. Both the hockey team and the basketball team scored victories. After 5 minutes of overtime play, the Penmen beat Western New England at basketball with a score of 74 - 67. A little extra push by Foster Davis helped in this win. Our Hockey team won out over the N. H. Vocational-Technical team by a score of 11 - 6. Congratulations on another cool victory.

POET HONORED

NHC's Robert Beaudette, Instructor in English and Psychology, was among over 35 entrants in a sonnet contest sponsored by the Poetry Society of New Hampshire. Sonnets were submitted by residents of New Hampshire and 6 other states, and Mr. Beaudette's entry won **SECOND PRIZE**. (His sonnet will probably be printed in Sketches, which should be available before long.) Compliments on your success!
