YEARBOOK DEDICATION

Her door is always open. But even more, her heart is open too.

She is a good listener. And when she finishes listening
she speaks with compassion for even the most trivial concerns.

She has empathy for youth in an age when youth needs more than
reprovement.

Her leadership has given us an atmosphere in which to
seek maturity through experiment without fear of censure.

For being our dean and our friend we dedicate this yearbook to Ann R. Shapiro.

May she enjoy the personal success in life that she has wished for us.
