## Rag-a-muffins Ball To Be Colorful Affair

BARBARA BISHOP'S

VERSION OF THE

RAG-A-MUFFIN BALL

Ask a girl about movies, or  
school--  
You won't interest her at all.  
The question foremost in the  
feminine mind--  
Is, "What shall I wear to the ball.

"Shall I go as a beggar or refugee,  
"Or a trained seal with a ball  
on its nose--

"I can get a man for seventy-five  
cents--

"But where can I get the clothes?"

Now there's one sure way of find-  
ing out.

You'll have to come, one and all.  
And then you'll find what the  
girls will wear

To the Rag-a-muffin Ball.

TO BE STAGED AT CALUMET CLUB ON  
LOWELL STREET

On April 14, 1939 the day  
division of the New Hampshire  
School of Accounting & Finance  
will sponsor its second social  
event of the year in the form  
of a Rag-a-muffins Ball, to be  
held at the Calumet Club in town.  
This particular type of dance  
has the outstanding reputation of  
being the most novel type of en-  
tertainment and our dance has all  
the symptoms of being just such  
a spectacular attention.

Let's everyone give this  
undertaking a big boost and put  
it across in a manner by which  
our class can be proud.

There should be costumes  
galore, and remember, the worst  
dressed is the best dressed, at  
the Rag-a-muffin Ball.

Several prizes will be given  
for the most unique, novel, and  
original costumes--so put on your  
"glad-rags," and get in on the  
"band-wagon" for a real time.

Invite your friends, feel  
free to wear anything you like,  
and remember, it's all for fun  
and fun for all.

Don't forget the day Fri-  
day, April 14, and the plans are  
rapidly being made for some good  
music, so let's all attend and  
give our "co-operation" freely  
to this gala occasion.

The best place for informa-  
tion on this latest event is at  
our class meetings, so get all  
your data first-hand by being  
present.

### GUEST EDITORIAL

By W. W. Lee

For the past year a great many people have been out of work, but during this time we have had numerous calls for capable young men and women, in fact, if we take the total of the employment calls and the number of graduates, we find that we have actually had more employment calls than we have had graduates during the present recession.

Whenever there is a call for an office employee, it is expected that the employer is looking for someone who is thoroughly capable. He may interview a number of people before he decides upon the person whom he is to employ, you are inevitably in competition with others. What we can do for you in the way of employment depends on what you do in getting ready for employment and what you can do for the employer. No amount of influence that we can bring to bear will get a position for you and keep you in that position unless you are competent to hold it. It is our purpose to help you qualify so that you will be capable of rendering a service which is in demand, and to that end we will extend our cooperation and in return we ask you to do your part to the best of your ability.

### EMPLOYMENT NOTES

Charlotte Baker who was placed through this department with Dun & Bradstreet is now with the Manchester National Bank.

Evelyn Carleton of the 1938 graduating day division class has been placed with Dun & Bradstreet here in Manchester. Miss Carleton takes the place of Miss Baker who held the position for a brief period of time.

We have recently placed Miss Claire Cote of the Evening division class (accounting department) with Batchelder Bros. Dairy in East Manchester.

Omer LaCasse of last years graduating class has been placed with Foster Beef Co. in Manchester and will begin work for them April 3.

Donald Procter of Wilton, one of our 1938 evening division students has accepted a position through this department and is now employed with the J. Hodge Company of Manchester.

It is expected that Edmund Kennedy will be given an appointment with the National Youth Administration on March 23, in the capacity of Clerical work.

MARY ROMEO

Mary is one of the Milford "gang" that invades our school every day. Although a quiet invader she possesses a quality of leadership and rythm that is hard to beat. When it comes to "Jitterbuggin" time she and her partner make all the little jitterbugs jitter and jatter with jealousy.

She attended Milford High School and graduated with fourth highest honor. She was a superb athlete starring in particular at a guard position on the basket- ball team. She was captain of her team during her senior year and was elected a member of the Monadnock League All Star Team.

Her extra-curricular activities extended to offices of various clubs and associations. She was a member of the staff of the "Student Prints," a school magazine, serving in the capacity of business manager.

She is an excellent student and very capable in her clerical work. Best of luck Mary, we're voting for you!

\*\*\*\*\*

HARRIET WERNER GRADUATES

Miss Harriot Werner who has completed her years work and recently graduated is a former West High student.

At the present time she is seeking employment and undoubtedly will be placed through the school employment department some time in the near future.

Miss Werner will be greatly missed by the student body. She showed a great deal of interest in all the school activities. She was also ever alert in showing a keen interest in the school paper, "Around School."

Our very best wishes to you, Harriet for your future success.

HELEN MORAN

Another of the Milford "gang" leaders is Helen Moran. Graduating with the class of 1938, from Milford High, she brings to our school a lively and friendly personality which makes her a leader both in and out of school.

She is a very capable athlete, starring in basket-ball in particular. She was a star forward on the Milford High team for two years and was an excellent shot and team player.

Her extra-curricular activities included participation in several clubs and associations, as well as her own class activities.

She is an excellent dancer and an enthusiastic swing fan.

She should like to become a Secretary to a Superintendent of Schools. More power to you, Helen, we know you'll make it.

A couple of young people were talking and in the course of their conversation one asked the difference between capital and labor. The other answered that if he lent \$2 that would be capital, but when he tried to get it back that would be labor.

\*\*\*\*\*

Boyfriend?" Do you believe poor people are the happiest?

A. G. Yes, darling!

Boyfriend?" Then we're going to be extremely happy when we're married.

\*\*\*\*\*

1st student--How was the cocktail party last night?

2nd student--Nip and tuck all night long.

1st student--What do you mean, "Nip and Tuck?"

2nd student--Well, first I had one nip and then I tuck another.

## CAN YOU IMAGINE

Romeo R. without his moustache  
Dorothy Leland being boisterous  
John Murray doing some type-  
writing  
Allan Hobbs going out of class  
before the bell rings  
Phil Lyons without A. Desharnias  
(in Accounting)  
E. Kennedy smoking in the hall  
(Luckies for your throat Ed)  
A lounge for us fellows. Well,  
what do you say boys.  
Our little Irish Lass not wearing  
a tint of green.  
Herb C. and H. Young maintaining  
class.  
Our school rooms tinted with a  
dash of fiery red.  
Black sweaters as a fad for the  
boys (in preference to white)  
Automatic typewriters for the  
slower classes.  
Business English classes being  
taught by B. Bishop.  
Forty minutes off for lunch, 20  
minutes is but a pause  
between bites.  
Overtime for the less punctual  
students.  
And myself getting some good  
HUMOR

## MOVIE OF THE MONTH

Being an intense movie-  
goers I wish to give you my choice  
of the most outstanding picture  
of the month. In my estimation  
"Pygmalion" starring Leslie  
Howard and Wendy Hiller was far  
superior in regards to acting  
abilities and plot. Throughout,  
the whole picture was a marvel  
of modern cinema producing.

\*\*\*\*\*

## SONG OF THE MONTH

Although I am not a jitter-  
bug, I am a lover of music either  
classical, or popular, but for  
the benefit of the modern click  
I will turn to the music of  
modern times. My choice for the  
most popular tune is "Deep Purple"  
by Will Hudson. If my choice is  
not unanimous among you swing  
fanatics I will appreciate your  
honest criticism.

by Bud Young

## SLIP-SHORTS

How did Phil Lyons happen to  
know what Mrs. Bouchard's street  
number was? Could it have been  
our fair Etta Kett of last issue  
who gave him the number?

When Mr. Shapiro starts his  
sentences with "Did you ever hear  
the story of --" Watch out, he's  
got a million of 'em!

Dot Griffin told the boys they  
could have some of Ferdinand for  
dinner, and Mary Manning turned  
around and said, "Who's He?"  
Mary, haven't you heard the song  
Ferdinand the Bull.

Why did Mr. Shapiro page a  
couple of young ladies last week?  
Was it because they were making  
too much noise or was it something  
else?

We have a great future business-  
man in our class. Thomas Sul-  
livan, just "Tom to you, surely  
takes over when it comes to  
Business English discussion.

What certain young lady had the  
brilliant idea of telling the new  
student, Tom Sullivan, to begin  
his new English project on Page 1.

Was it because Schmidtchen was  
out the other day that Wallace had  
to go home, couldn't he have  
found a better excuse?

\*\*\*\*\*

## BOWLING

Considerable interest has been  
shown by the members of the staff  
during the past few weeks in  
bowling. The result was that the  
girls seem to be somewhat stronger  
than the boys. They seemed to get  
ahead each time.

How about organizing a team  
between the boys and girls in this  
school? Why not talk it over some-  
time in class meeting and see if  
we can't bowl a string soon!
