Footnotes:

1/The values associated with the product categories represent a compilation of the data reported for establishments in industry 327212 (establishments producing glassware from glass made in the same establishment) and industry 327215 (establishments producing glassware from glass purchased or transferred from other establishments).

Note:

Establishments not included in the MA327E mailing panel, typically those with less than five employees, are not included in the data totals. In prior years values were estimated and placed into the "not specified by kind" (n.s.k.) product code.
