

New Hampshire College

Professor Howard Corsack
Chairman, Accounting Department

In an age of agitation on campus, Professor Howard Corsack stands as a monument to the realities of education.

He is the supreme professional — dedicated to his students, dedicated to his field, dedicated to New Hampshire College. We compliment his devotion by dedicating this yearbook to him.

Professor Corsack's tireless efforts in the accounting department have brought national recognition to our school and to our graduates.

His ceaseless energies in behalf of his students have helped them achieve success and gained them admission to the select circle of professional practitioners.

And, while the only thanks he looks for is our own success, we owe him much more.

Professor Corsack, we thank you.

DEDICATED TO
ROBERT A. BUCKLEY
ASSISTANT PROFESSOR OF
ENGLISH
1966-1970

A quiet, unassuming man who in five years at New Hampshire College served his students conscientiously, with fairness and dedication and served his fellow faculty members as a leader toward establishing faculty and College goals.

Bob Buckley worked hard as a teacher, as a student adviser, and as a faculty leader but he worked without fanfare. He assumed duties cheerfully even when not obligated and always completed what he began.

Students, faculty, and the College administration who knew him felt the tragedy of his premature death. His contribution to New Hampshire College was significant and his presence on its faculty all too brief.

NEW HAMPSHIRE COLLEGE
MANCHESTER, N. H.

1970 TORCH

EDITOR MIKE MONGEAU

IN 1970, THE NEW HAMPSHIRE COLLEGE STUDENT HAD A CHOICE: HE COULD ELECT TO IGNORE OR REJECT HIS CONTEMPORARIES' PLEAS, OR HE COULD REACT AND DEMAND TO BE HEARD.

WE CONSTANTLY HEARD CRITICISM
ABOUT EVERYTHING FROM THE WAR
TO THE PILL, FROM YOUTH TO THE
ESTABLISHMENT, FROM BLACK POWER
TO POLARIZATION, FROM GOD TO
THE 'CHICAGO 7', FROM GOOD GRASS
TO DIRTY AIR.

Free All

Political
Prisoner

CRITICISM CAN BE GOOD WHETHER
IT BE FROM A TRADITIONALIST OR
A RADICAL; IT CAN HELP TO UNITE
AND AT THE SAME TIME DIVIDE
IT CAN BE CONSTRUCTIVE WHILE
IT'S DESTRUCTIVE

IT CAN GET PEOPLE INVOLVED OR
IT CAN TURN PEOPLE OFF. IT CAN
CHANGE A SOCIETY OR IT CAN
PRESERVE A SOCIETY. IT CAN BE
ACCEPTED OR REJECTED. IT CAN
BE WARRANTED OR UNJUSTIFIED

"I'm not ready
to leave the country...
I'm not willing
to lose my freedom."

dn

Turns Off

Isn't there an
easier way

to burn or not to burn:
Trouble:

BUT WHATEVER IT DOES, IT CAN'T
BE — UNLESS THE CRITIC AND THE
CRITICIZER BECOME ACTIVELY INVOLVED
AND ATTEMPT TO CREATE TOGETHER
A MODE OF A MEANINGFUL EXISTENCE,
NOT MERELY A MEANS OF SURVIVAL.

"I used to stand up and
say the world was a
miserable place.

Then I would sit down
and do nothing about it."

you're in the Army now."

Why work

RADICALS

The beautiful way

THE VEHICLE BY WHICH WE AS
INDIVIDUALS DESIRE TO EXPRESS
OURSELVES CAN AND WILL BE
AS VARIED AS THE PERSONALITIES
INVOLVED.

WHAT WE MUST HOWEVER DO
IS ACTUALLY PURSVE THE MEANS
OF EXPRESSION SO THAT IN SO
DOING WE CREATE A POSITIVE
DESIRE TO LEADE, NOT FOLLOW.

TO LEAD, EVEN IF WE ARE
LEADING WITH EVERYONE ELSE
IS MUCH MORE THAN TO BE ONE
OF THE FOLLOWERS OF A
COMPUTERIZED SOCIETY.

WE OF THE 1970 YEARBOOK STAFF, ALONG
WITH MANY OTHERS, CRITICIZED THE 1969
PUBLICATION PRIMARILY FOR THE LACK OF
COPY. WE ATTEMPTED TO REMEDY THIS PROBLEM
AND ASKED THE COOPERATION OF MANY TO
COMPILE THE NECESSARY DATA FOR A COMPLETE
YEARBOOK. BECAUSE OF MANY PROBLEMS,
THE LEAST OF WHICH WAS NOT THE STRIKE
AND INCLUDING LACK OF INVOLVEMENT,
ENTHUSIASM, AND COOPERATION BY MANY—
SOME WILL SAY WE HAVE FAILED! HOWEVER,
WE HAVE WORKED HARD TO PRODUCE A GOOD
BOOK. YOU MAY CRITICIZE US BUT WHAT
DID YOU DO TO HELP?

About N.H.C. Basketball

The history of basketball at New Hampshire College actually begins when Lou D'Allesandro was appointed head basketball coach in 1963. Prior to that time the basketball team travelled anywhere and played most anybody, most times not too successfully. In 1962, one year before Mr. D'Allesandro arrived, the team entered the Greater Boston Small College Conference and finished the season with a 1-24 record.

In 1963-64, with Coach D'Allesandro at the helm, the team produced a respectable 14-14 record. That was the last year the team did not have a winning record. For the next three years the New Hampshire College "Penmen" dominated the GBSCC, winning the conference playoff in 1964-65 and conference titles in 1965-66 and 1966-67.

In 1967 the Penmen left the GBSCC and became a member of the National Association of Intercollegiate Athletics (NAIA) and entered the New England Intercollegiate Basketball Association.

Last year the Penmen had a 26-6 record, and had a berth in the NAIA District 32 playoffs. In the playoff they lost their hopes for a trip to Kansas City when they were defeated by Rhode Island College.

When the final statistics were released by the NAIA, New Hamp-

shire College found itself among the nations leaders.

Since 1964 the team has had a very impressive record. The team record from 1963-64 to 1968-69 is 117-40 and is broken down by years as follows:

1963-64	14-14
1964-65	22- 2
1965-66	20- 3
1966-67	20- 7
1967-68	15- 8
1968-69	26- 6
	117-40

ANNUAL REPORT OF THE NEW HAMPSHIRE COLLEGE ATHLETIC DEPARTMENT

The 1969-70 athletic season was a good one for New Hampshire College. We had winning seasons in soccer, basketball, and baseball. Our ski team developed under new coach Lyman Gilmore. The golf and tennis seasons were cut short due to the student strike. With the support of the Student Senate, the hockey club prospered under the direction of Wayne Osborn.

Our soccer season came out 7-6-1. Freshman coach, Norton Phelps, Jr., did an outstanding job working under very difficult circumstances. We still have a problem with our facilities. We found Derryfield Park to be inadequate. On one occasion the coach of Lyndon State College played our soccer game under protest because the field was not of adequate length and width. Our dressing facilities continue to be a problem. Our visiting teams must change at Gill Stadium, then move to Derryfield Park to play the game, and return to Gill Stadium to shower before eating at Merrimack Hall. We have found that dealing with Bishop Bradley High School has been good, but it gets very expensive. Our soccer schedule is completed for the 1970-71 season. It should be one of the finest soccer schedules ever. The highlight of the season will be an overnight trip to Maine where we will play Unity and Husson. First year coach, Norton Phelps, worked very diligently. He took a group of youngsters who hadn't played before, and gave us our first winning season in three years. It is my opinion that the program will improve with the addition of our new field. With the possibility of us moving to a new location, we should be able

to overcome some of our facility problems. In summary, the soccer program has been revived and I feel that it will continue to grow in the next few years. We must acquire better facilities.

Our basketball program was successful for the seventh consecutive year. The final record was 17-7. Add to the 17 wins two exhibition victories, one over Nasson College and the other over Hawthorne College at the Boston Garden. The 1969-70 season was highlighted by victories in double overtime over Roger Williams College and a hard fought two point victory over number six rated Husson College. Husson with a winning streak of 16 in a row, ranking number six in New England proved to have one of the finer teams in small college circles. Once again our team received regional exposure through the news media and a little bit of national exposure through the AP and UPI news services. The college made its first move into the Midwest by participating in the Muskingum Tournament at Muskingum College in Ohio. Although we did not win the tournament, we made a fine impression on the people of Ohio and I feel that the name of the college was favorably introduced into this area. Robert Williams will be taking over as head basketball coach next year. He will have eight returning lettermen, a fine schedule, and we hope a new place to play. Once again facilities were a problem for the basketball team. Our practice time was 5:30 to 7:30 causing a problem with the kitchen. It also created havoc with the boy's study hours. We used Bishop Bradley High School for \$3,500 plus our game expenses. Our costs were extremely high. Improvements were to be made at Bishop Bradley, in the gym and in the locker room. These were not made and we are hoping to move to another facility for the next season. Two boys from the basketball team made Who's Who Among American College Athletes, Mike Gemei and Reggie Brooks. John Astarita won acknowledgement in Who's Who Among American College and University Students and I feel the overall program was quite suc-

cessful. Our team finished second in the New Hampshire Classic Invitational Basketball Tournament. We lost to Western New England College in the finals. Our basketball program is one of the better ones in small college circles. The publicity from the program has helped the college in its recruiting.

Lyman Gilmore took over our ski team. Although our meet record was not outstanding, things look good for the future. Costs are getting extremely high, therefore, we will have to look for a new place to train. We have hopes that the Derryfield Park Project will be completed in time for next season. Our ski program is quite competitive. We received regional exposure from skiing and we ski against some of the finest colleges in the East, Harvard, Princeton, Boston University, and Boston College to name a few. It is our hope to get the students more involved in the ski program through the Student Senate. Mr. Gilmore intends to speak with Albert Jacobbe, the Director of Student Activities in order to promote skiing among the entire student body for next year.

The spring athletic program met with a few very serious problems, one of them being the student strike. The baseball team under Coach Norton Phelps was the only spring sport to finish its season. The New England Intercollegiate Baseball Association crown returned to New Hampshire College after a year's absence and three boys were placed on the All Star Team. Our league record was 7-2. Our overall record was 10-10. Facilities again are a problem. We used Prout's Park for practice and Gill Stadium for our games. We did receive a tremendous amount of cooperation from the Parks and Recreation Department. We are grateful because without it our program could not exist. Mr. Phelps in his first year as baseball coach did a very commendable job of continuing the baseball tradition at New Hampshire College. A spring trip was financed entirely by the students. Weather was a problem. Coach Phelps feels that a trip of this nature would not be advisable in the future. There are plans to

expand the New England Intercollegiate Baseball League. If this comes about, New Hampshire will have a ready-made schedule.

Golf was handled by Frank Barnes, tennis by Irving Rothman. Both seasons were cut short because of the strike. Almost everyone of the golfers left school and a number of the tennis people left. Our golf team was not as successful as in previous years. The tennis team has yet to win a match but participation was better than in previous years. In summary, the spring athletic picture is quite distorted because of the strike. I feel the program went as well as could be expected. Our future looks bright, if the problem of facilities can be overcome. We participated against St. Anselm's in tennis. This is the first time we have ever participated intercollegiately against St. Anselm's. We hope to continue this association in the future. The facilities for golf are good. Charmingfare has been gracious with us. Our people enjoy it, its excellent course, and the pro, Joe Kendrigan, is quite helpful. In tennis, facilities are a problem but the Recreation Department in Manchester has been helpful. We use Derryfield Park, Livingston Park, and the girl's courts at Immaculata High School. Our plan is to run the same type of program next year, with the possible introduction of fall golf.

The athletic picture for 1969-70 was a good one. We had better participation than in the previous years. We had only one athlete who participated in more than one sport as a regular. Our overall athletic picture is improving. We have applied for associate membership in the NCAA. With the coming of the new campus we should be able to give an excellent account of ourselves in the future.
