SKETCHES

If you feel a work of art
Coming through straight from your heart,
Here's your chance for an honest start--
Come on everyone, do your part.

Our school is starting a new review,
And we need essays from all of you,
Poems, fiction and feelings too.
Works are accepted from teachers who
Want their experiences conveyed to you.

So come on one, and come on all,
Bring your writing to Frost Hall.
We'll edit and print it for your recall--
Come write for us and have a ball.

Leave all works at F90 and F30.

Ron Poulin
Managing Editor

Deadline for submissions is Friday, Feb. 8.

CIA

Investigate? Yes! The Resident Assistants and Apartment Supervisors, along with the R. A. Trainees, have volunteered their time and energies to assist all students in answering day to day questions. The CIA is a Central Information Agency, and will investigate for you any question you may have concerning college.

Mr. Edward Shapiro, President
New Hampshire College
Manchester, New Hampshire 03060

Dear Ed

C O N G R A T U L A T I O N S ! I knew that you and your faculty were working diligently toward regional accreditation by New England States, and I knew that you would get it eventually, to have acquired it in what must be record time is just another feather in an already well decorated hat.

The staff and faculty of New Hampshire College certainly deserve all the words of commendation which come their way. The path to regional accreditation is one journey that requires a lot of teamwork on the part of everyone associated with the college. Obviously your people did an excellent job.

Congratulations again and accept my best wishes for continued success.

Sincerely yours

J. F. Sterling
Regional Vice President
