College for America at Southern New Hampshire University Overview

College for America (CFA) is an online, competency-based college within Southern New Hampshire University (SNHU). SNHU is a not-for-profit, independent institution with no religious affiliation. SNHU's mission is to educate intellectually and culturally enriched individuals to be successful in their careers and contribute to their communities. SNHU's educational philosophy challenges students' intellectual potential and prepares them for professional lives in an ever-changing and increasingly interconnected world. It provides a supportive and close-knit learning community, delivering engaging instruction in a flexible variety of formats. Students develop the knowledge to understand a complex world, the skills to act effectively within that world and the wisdom to make good choices.

CFA Mission

We radically expand and improve the quality of higher education through low-cost, competency-based degrees that are more applicable in the workplace.

Overview of CFA Program

College for America partners with employers and other partners nationwide to offer their employees or members the chance to earn a college degree using a competency-based approach that is uniquely affordable, can be scheduled flexibly around busy lives, and is more applicable to the workplace than a traditional degree. Students master competencies rather than completing courses.

Competencies are can-do statements such as:

- Can define and use marketing terminology and concepts
- Can generate a variety of approaches to addressing a problem
- Can distinguish fact from opinion
- Can convey information by creating charts and graphs

Students demonstrate mastery of competencies by completing Projects, which typically integrate multiple competencies from different content and skill areas. Projects include learning and skill-building resources as well as rubrics with which students' work is assessed.

This competency-based approach focuses on learning, not seat time or credit hours. Students move at their own pace, which allows them to move more quickly through areas in which they have strong preparation and spend more time in areas in which they do not. No matter what educational background students bring to College for America, all graduates leave having demonstrated mastery of the same set of competencies in the most critical areas, including communication, critical and creative thinking, and collaboration and teamwork. College for America's curriculum, grounded in well-regarded frameworks for higher education, rests on the building blocks of the Lumina Foundation's Degree Qualifications Profile (DQP) and the U.S. Department of Labor competency models, among others.

Evaluation of Student Work

Each Project that a student submits is evaluated by a trained professional Reviewer who has been selected for his or her subject matter expertise as well as experience in online education. The Reviewer uses analytic, binary rubrics rather than traditional grades to provide feedback on student work and also provides text comments. For each rubric category, a student either has fulfilled the criterion or has not yet fulfilled the criterion. To complete a Project, the student must fulfill every criterion of the rubric. A student may revise and resubmit work until all rubric criteria have been satisfied.

CFA Certificate and Associate's Degree Admission Policy

CFA is not currently open to the general public. Students must be employees of a CFA partner organization or participants in a CFA partner program. All students must have a high school diploma, G.E.D., or equivalent, except in the case of specific partnerships. Students who do not possess a high school diploma, G.E.D., or equivalent are not eligible for federal financial aid.

CFA Bachelor's Degree Admission Policy

College for America offers a variety of programs for students wishing to pursue a Bachelor of Arts degree. Current BA degree offerings include:

- Bachelor of Arts in Communications *concentration in Business*
- Bachelor of Arts in Communications *concentration in Healthcare*
- Bachelor of Arts in Healthcare Management *concentration in Communications*
- Bachelor of Arts in Healthcare Management *concentration in Global Perspectives*
- Bachelor of Arts in Management *concentration in Insurance Services*
- Bachelor of Arts in Management *concentration in Logistics and Operations*
- Bachelor of Arts in Management *concentration in Public Administration*

Students may contact College for America Admissions (admissions@collegeforamerica.org, 855-764-8232), or speak to their Learning Coach to discuss their personal aspirations and which degree will work best for them

Students may enter the Bachelor of Arts Program in the following ways:

College for America Associate of Arts (AA) degree graduates:

Students with a College for America AA degree are eligible to enter a College for America BA degree program.

Students with AA, AS

Students with an associate of arts (AA) or associate of science (AS) degree from an accredited institution are eligible to enter directly into a CFA BA degree program.

Students with associate's degrees other than an AA or AS

Students with an associate's degree from an accredited institution that is other than an AA or AS (for example, an AAS) may be eligible to enter directly into a CFA BA program and will have their transcripts evaluated on a case-by-case basis. College for America may require official transcripts of all credits contributing to the awarded degree.

Students with at least 60 credits, but no degree

Students who have earned at least 60 semester college credits from one or more accredited institutions may be eligible to enter directly into a CFA BA program and will have their transcripts evaluated on a case-by-case basis. College for America requires official transcripts of all credits contributing to the 60 minimum credits.

Students with degrees or credits from an International Institution

Students who have earned degrees or credits for college-level coursework from international institutions outside of the United States or Canada may be eligible to enter a CFA BA degree program but must have their transcript(s) evaluated by an educational credential evaluation service that is recognized by the National Association of Credential Evaluation Services (NACES) or the Association of International Credentials Evaluators

(AICES). Students may also use the services of the American Association of Collegiate Registrars and Admissions Officers International Education Services (AACRAO) or the Credentials Evaluation Service of the Commission on Graduates of Foreign Nursing Schools. Students are responsible for the costs associated with this third party evaluation.

Students who enter without an associate's degree from an accredited college or university or with fewer than 60 credits from an accredited college or university will begin with the AA degree, regardless of their ultimate intention to pursue a BA degree through CFA.

Concurrent Program Enrollments

While enrolled in the CFA program, students may not enroll in other academic programs at Southern New Hampshire University. The CFA program is a full-time program. A student has the flexibility to increase his or her academic workload by engaging in multiple CFA Projects at one time, if appropriate, through a conversation with the student's Learning Coach.

Transfer among SNHU Colleges

Students in any of Southern New Hampshire University's three colleges [College for America (CFA), College of Online and Continuing Education (COCE), or University College (UC)] may wish to transfer to another of its units. Transfer procedures are described in a basic way here, but students are advised to work with their respective academic advising and admissions offices to confirm relevant details. Students may be enrolled only in one of the three SNHU colleges at one time.

CFA Student Transferring to the UC or COCE

Students currently enrolled in any College for America (CFA) program who wish to enroll in University College (UC) or the College of Online and Continuing Education (COCE) must file an Internal Transfer Application with the office of Transfer Admissions. Students will be evaluated on their academic performance in their current programs. Enrollment in a CFA program does not guarantee acceptance to a UC or COCE program.

UC or COCE Student Transferring to CFA

Students currently enrolled in a UC or COCE undergraduate program who wish to transfer to a CFA program must file an Internal Transfer Application. These must be filed with the Academic Advising Office on the Manchester Campus, or with the Office of the University Registrar.

CFA International Student Transferring to UC or COCE

All international students who wish to begin or change programs must obtain appropriate forms and begin the process in the Office of International Student Services (ISS).

Failure to file an Internal Transfer form with the appropriate office may prevent the student from registering for classes, being billed correctly for tuition and fees, or graduating in a timely manner.

Accreditation

Southern New Hampshire University is accredited by the New England Association of Schools and Colleges, Inc., (NEASC) through its Commission on Institutions of Higher Education.

Inquiries regarding the accreditation status by the New England Association should be directed to the administrative staff of Southern New Hampshire University. Individuals may also contact:

Commission on Institutions of Higher Education
New England Association of Schools and Colleges
3 Burlington Woods Drive, Suite 100, Burlington, MA 01803-4514
(781) 425-7785
cihe@neasc.org

The Commission on Institutions of Higher Education (CIHE) of the New England Association of Schools and Colleges is the regional accreditation agency for colleges and universities in the six New England states: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

NEASC's Commission on Institutions of Higher Education (CIHE) is recognized by the U.S. Department of Education as a reliable authority on the quality of education for the institutions it accredits. Recognition by the Department of Education provides access to federal financial aid for U.S. students attending institutions accredited by the Commission.

State Authorizations

As an institution that has students residing across the United States, Southern New Hampshire University (SNHU) is required to have authorization to operate in a number of states based on the activities it conducts in the states. SNHU is not required to have state authorization in all 50 states. Currently SNHU has the following state authorizations.

Catalog Versions

The CFA catalog is updated quarterly to incorporate new or edited policies. Catalog policies are updated per diem and are changing constantly with the expectation that students are to adhere to policies as they are updated. If a student withdraws and later re-enrolls in the CFA program, he or she follows the policies and fulfills the program requirements associated with the catalog version in effect at the time of his or her return. CFA may update and implement policy changes at any time.

Degrees Offered

Currently, CFA offers an undergraduate Certificate in Healthcare Management Fundamentals, Associate of Arts (AA) in General Studies, Associate of Arts (AA) in Healthcare Management, Bachelor of Arts (BA) in Communications, Bachelor of Arts (BA) in Healthcare Management, and Bachelor of Arts (BA) in Management.

As in the AA, students demonstrate mastery of the relevant competencies by completing Goals, which are made up of Projects. Projects in the BA program are completed sequentially, to enable students to receive feedback and guidance from Reviewers before continuing to the next Project. On completion of each Goal, a student earns the equivalent of three semester hours of college credit from Southern New Hampshire University in a specific course. Each BA Goal is made up of 6 competencies.

Degree Requirements

Students must fulfill the following requirements to be eligible for a certificate or an undergraduate degree from CFA:

Certificate in Healthcare Fundamentals

- Mastery of 60 Competencies through the CFA program

AA in General Studies

- Mastery of 120 Core Competencies through the CFA program
- Completion of at least 3 Projects from the purple path

BA in Communications, Healthcare Management, or Management

- Satisfactory completion of all requirements for the CFA AA in General Studies degree OR approval to begin the BA program with the 120 Advanced Competencies
- Mastery of the 120 Advanced Competencies required by each degree through the CFA program

Scholastic Standing

A student's scholastic standing is determined based upon information contained in the student's academic record at the end of each term. Students must meet both qualitative and quantitative (minimum completion rate) standards to remain in good scholastic standing. College for America (CFA) is a self-paced program that does not have a traditional grading scale of A-F but rather competencies are either "mastered" or "not-mastered."

Scholastic Standing and Satisfactory Academic Progress will be based on the successful completion of 67% of the total attempted competencies in a given term.

A student meets both the qualitative and quantitative requirement by mastering 67% of the minimum equivalent competencies of their enrollment status each six-month term. This equates to the mastery of a minimum of 17 competencies per six-month term for full time enrollment. This equates to 9 competencies mastered to meet half-time requirements. A student who does not meet this standard will be allowed a warning period equal to one additional six-month term.

Students not meeting this standard after one scholastic warning period (one six-month term) *may be* recommended for academic dismissal as determined by Chief Academic Officer or designee. Exceptions can be made for students who make significant improvement during their scholastic warning term and are committed to ongoing improvements. If an exception is not made, students may appeal this decision. If an exception is not made after two scholastic warning periods, students may not appeal the decision.

Academic Dismissal

Students can be dismissed from the university in the following circumstances:

- Students who do not master at least one competency prior to the midpoint (day 90) of the term.
- After one scholastic warning period, if the student does not meet Scholastic Standing standards, does not have an exception made, nor does the student appeal the decision regarding the exception.
- After two scholastic warning periods, if the student does not meet the Scholastic Standing standards and an exception has not been made.
- Academic Dismissal is considered final and appeals are not accepted.

Confirm Term Enrollment

For the first term at College for America, students are required to:

1. Submit an Academic Plan by Day 14 and
2. Submit at least one Project by Day 30.

In all remaining terms students are required to submit an Academic Plan by Day 14.

Students not completing their Academic Plan on Day 14 will be automatically withdrawn on Day 15. Students not submitting at least one project by Day 30 will be withdrawn on Day 31.

Students who do not master a competency prior to the midpoint of the term may be dismissed from the university.

Participation in Commencement

College for America degree candidates are eligible to participate in the commencement ceremony. Students are permitted to participate in only one commencement ceremony per degree. Participation in the ceremony does not indicate degree completion. Degree conferral is only confirmed when recorded on the official transcript. Students participating in the commencement ceremony must pay a \$150.00 non-refundable graduation fee.

Eligibility to Participate in the May Commencement Ceremony: March 31st Deadline

To be eligible to participate in the May commencement (graduation) ceremony, College for America students must contact their Learning Coaches to complete the Petition to Graduate by **March 31st** of the graduation year and must meet the following criteria:

- Students must have no more than eight Competencies incomplete at the time of their petition (March 31st)
- Students must anticipate completing all program requirements by the end of their current term.
- Students must be in good academic standing.

Late Petitions to Participate

Students who petition to participate after the March 31st deadline may be approved to participate in the ceremony. However, they will not be included in the commencement booklet and may not receive the standard amount of ceremony tickets.

Mid-Term Graduate Policy

College for America students may transfer from one CfA program to another within their six-month term upon initial program completion. This allows a student to begin a new program and continue academic progress. Students are eligible to begin a new program on the next CfA term start if the initial CfA graduation review is completed by the 25th of the month. If the initial CfA graduation review is completed after the 25th of the month, the student begins his or her new program two months later. Students are not rebilled tuition until the end of the current term.

Example:

Scenario 1:

- Student's graduation review completed by April 15
- Student may begin new program on May 1

Scenario 2:

- Student completes graduation review on April 27
- Student may begin new program on June 1

Mid-Term Transfers and Federal Student Aid

If a student completes the initial program prior to the 60% point in the term, and is not transferring to another CfA program, federal financial aid may be recalculated. This recalculation may result in the return of federal financial aid funds to the Department of Education and result in a balance owed to the University.

However, if a student is transferring to another CfA program within the same term, as documented through admission to the new program and registration in new competencies applicable to the new program, federal student aid will not be recalculated. The student is not eligible for any new financial aid funds as a result of beginning a new program in the same term.

Students are encouraged to decide as early as possible whether they will transfer to a new program to avoid the possible recalculation and potential return of federal financial aid funds.

If a student begins a new program within the same term after a return of federal financial aid funds has been made, the student is eligible to have the original federal financial aid funds restored.

Students with questions about College for America programs should contact Admissions at 1-855-764-8232 admissions@collegeforamerica.org. Additional program information may be found by visiting [College for America](http://CollegeforAmerica.com).

Student Name or Address Change Policy

A student may request a change of name from the name that is currently on record at SNHU to a different name, by providing to the Office of the Registrar his or her former name, Student ID number (if known), and a copy of documentation verifying his or her correct name. Any one of the following documents is acceptable proof of the student's correct name:

- A copy* of a marriage license or marriage certificate;
- A copy* of a divorce decree;
- A copy* of a certificate of name change or court order verifying name change;
- A copy* of a driver's license.

*The copy must be clear and legible

The request for a change of name, along with the student's former name, Student ID number (if known), and copy of supporting documentation, may be furnished to the Office of the Registrar in one of the following ways:

By email to registrar@snhu.edu (as a reminder, please do not email personally identifiable information in an unsecure manner)

By Fax to (603) 629-4647

Academic Support Services

The Learning Coach is the most important support and contact person in the College for America program. At the start of the program, each student is assigned a Learning Coach

who will serve as the primary point of contact throughout the program. The Learning Coach works closely with the student to set goals, to establish a pace for finishing Projects, and to develop the student's broader support network. The support network includes an Accountability Partner, chosen by the student, who will help keep him or her motivated and on track. Students may also choose a Mentor from his or her place of work, who will help the student with career development.

The College for America program includes several other avenues of support as well. Reviewers evaluate Projects and provide timely, encouraging and specific feedback on academic work. In the case that a student must resubmit a Project, he or she will receive feedback from the same Reviewer on the resubmission. College for America also has a virtual community space in which students can receive academic and technical support from both peers and College for America staff.

Academic Honesty Policy

1. To be enrolled in CFA, all students must sign an Academic Honesty Policy form indicating that they have read and understood the policy.

All suspected violations of this policy will be brought to the attention of the Chief Academic Officer of CFA (CAO) as soon as possible. Within ten (10) business days of being made aware of a possible violation of academic honesty, and before imposing a penalty, the CAO must notify:

- a. The student, via an email to the student's CFA email address, of the suspicion of dishonesty and allow the student an opportunity to discuss the situation on an informal or unofficial basis. Students must respond to the CAO's initial inquiry within 5 business days of receiving the notification;
- b. The student's Learning Coach; and
- c. The CFA Academic Honesty Committee (AHC), which will review the student's remaining body of work across the CFA program as expeditiously as possible.

After reviewing the student's entire CFA body of work, the AHC will determine whether the violation was an unintended mistake or a willful and calculated act of dishonesty. The AHC will document its finding in a letter to the CAO.

After receiving the final AHC letter, the CAO shall determine what penalty, if any, will be sanctioned. The CAO will communicate the outcome to the student through CFA email.

- a. If the AHC determines that the violation was an unintended mistake rather than a purposeful act of dishonesty, then the CAO may use the occasion to help educate the student about standards of academic honesty. For example, the student might be required to correct the original assignment or submit a substitute assignment.
- b. If the AHC determines that the student is in violation of the academic honesty policy through a willful and calculated act of dishonesty, then the CAO shall send an email notifying the student that he or she has been formally charged with a violation of the policy and the sanction.
- c. Possible sanctions include:
 - i. Cancellation of mastery credit for particular competencies.
 - ii. Warning: An email notice informing the student that an allegation of academic dishonesty has been substantiated and warning the student

that subsequent academic honesty violations may result in more severe sanctions.

- iii. Disciplinary Probation: An email notice detailing the violation, the length of probation and any other terms of probation. Students on probation who violate academic honesty face more severe sanctions.
- iv. Disciplinary Suspension: Separation from CFA for a specified amount of time after which the student is eligible to return.
- v. Disciplinary Dismissal from CFA: Permanent separation from CFA without the possibility of readmission.

If the student denies the allegation and wishes to appeal the charge of violation of academic honesty, then no later than ten (10) business days after receiving the formal charge email, the student may request an appeal via email to the Executive Director (ED) of CFA.

The ED shall review the AHC's determination and issue a decision, notifying the student, the student's Learning Coach, the AHC, and the CAO by email. The ED's decision cannot be appealed.

Tuition, Financial Aid, and Registrar Assistance

SNHU has dedicated a single resource to answer all student questions related to financial aid, tuition, and registrar questions (e.g., request a transcript). This resource is called One Stop and can be reached online at CFAonestop@snhu.edu or via telephone by dialing (603) 626-9100 ext. 2730.

Financial Aid

Financial Aid is available for those who qualify.

Tuition and Billing

Tuition is billed \$1,250 per 6-month enrollment term. This is a flat rate and is not assessed based on the number of competencies that the student does or does not complete.

Students are not required to purchase textbooks or other course materials or pay fees. Students must, however, have access to a computer and an Internet connection. See the *Computers and Technology* section for more information.

Payment

All bills are due on the 28th of the month of the start of the term. College for America offers multiple convenient payment options including credit card, cash, check, tuition deferment, monthly payment plans and federal financial aid, for those who qualify.

Payment Options

Payment Plan

In order to participate in a payment plan, the student must sign a Payment Plan Contract and authorize the University to deduct monthly-automated payments from a debit/credit card. If the student fails to make any scheduled payment the University reserves the right to cancel the Payment Plan Contract and the balance of tuition will become immediately due or access to the online program will be terminated.

Title IV Federal Financial Aid

Students enrolled at College for America may be eligible to receive Title IV federal financial aid. A student pursuing his or her degree may apply for Federal Title IV financial aid by completing the Free Application for Federal Student Aid (FAFSA) form. A FAFSA form may be completed at www.fafsa.gov. When prompted, list Southern New Hampshire University's federal school code: 002580. The student must meet all eligibility requirements to qualify. If you have any questions regarding eligibility, please contact One Stop at (603) 626-9100 ext. 2730.

Third Party Billing

A student eligible to participate in third party direct billing, in which a third party will authorize direct billing from the University, must first submit a third party voucher/letter to the One Stop Office. The voucher must include beginning and end dates of the academic term, other fees covered (if any) and the maximum dollar value of the voucher prior to the payment due date.

Employee Reimbursement

Many CFA corporate and community partners provide tuition reimbursement for their employees. The specific policies regarding employee tuition reimbursement are determined with each partnering organization. Students should contact their Human Resources Department for information regarding specific employee reimbursement programs.

Deferred Tuition Plan

A student receiving tuition benefits from an employer may qualify for deferred tuition. A student on a Deferred Tuition Plan Contract may carry a one-term outstanding balance. Eligibility is based on completion of a Deferred Tuition Plan Contract prior to the payment due date. The Deferred Tuition Plan Contract must be renewed annually.

Financial Credit Policy

Tuition payment is due on the 28th day after the start of the term.

Other Information

- Unpaid balances are the student's responsibility to pay.
- All students with unresolved balances as of the 28th day of the term must contact the Credit Department for resolution.
- Transcripts, caps/gowns, diplomas and enrollment verifications will be withheld if the student owes any type of balance.
- Registration for future terms will be withheld if the student owes any balance over \$1,251.00.
- Students with unresolved balances will be placed on financial hold; late fees will be assessed at the discretion of the University.
- An account sent to third party collections may be subject to collection and legal fees. All former collections accounts must pay up front for any future classes.

- The Financial Credit Policy is at the discretion of the Credit Department and subject to change without notice.

Standards for Federal Financial Aid Satisfactory Academic Progress (SAP)

CfA will evaluate SAP for students receiving Title IV aid on a payment period basis of each 6-month term. Federal standards require that students be evaluated on cumulative GPA and cumulative completion rate or, if GPA is not applicable, “a comparable assessment measured against a norm.” (34 CFR § 668.34(a)(4)(i)). Therefore, no GPA calculation is necessary. Students will be measured based on a completion rate minimum of 67% of the annual minimum enrollment requirement, which is equivalent to mastering 17 competencies per six-month term, on average.

SAP will be measured by payment period and the maximum timeframe for Title IV eligibility will be tracked based on competencies mastered during the term.

Attempted Competencies

If a student does not master his or her registered competencies during the term, College for America will process the competencies as follows:

Competencies attempted, but not mastered by the end of the 6-month term will receive a status of “Not Mastered” (**NM**). The student may **re**-register for these competencies in a future term.

Competencies not attempted by the end of the student’s current 6-month term will be administratively dropped.

Students whose registrations are dropped will be reviewed for potential adjustments based on the number of registrations reported at the beginning of the term versus the actual number of registrations attempted:

Students receiving Title IV Pell Grant funds will have their financial aid enrollment status reviewed to determine if funds must be returned due to not having attempted enough competencies equivalent to the enrollment status used to determine their original eligibility.

Federal financial aid Satisfactory Academic Progress (SAP) will be calculated based on the comparison of mastered competencies and attempted competencies, with a performance threshold of 67%.

Students must re-register for dropped or “Not **Mastered (NM)**” competencies in the following term by including these competencies on their Academic Plan. The re-registered competencies may again be included in determining the student’s financial aid enrollment status for the new term.

Students will be notified of any adjustments to their aid eligibility through a revised award letter notice via the student’s SNHU email address.

Attempted competencies are defined as a student having submitted a project or mastered the competencies in question

Enforcement

A student who does not meet the minimum standard of 17 competencies mastered per term is either placed on Warning or Suspension from Title IV aid. The student will be notified of his or her status via the student’s College for America email address. This notification will come with instructions to contact his or her CfA Learning Coach.

SAP Warning

Students who fail to make Satisfactory Academic Progress (SAP) are placed on SAP Warning. Students with the SAP Warning status will retain Title IV aid eligibility for one subsequent term. A student with SAP Warning must meet SAP requirements during the term or the student will be placed on SAP Suspension.

SAP Suspension

A student on who does not meet SAP requirements for two terms is placed on SAP Suspension. A student on Suspension is not eligible for Federal Title IV aid, but may continue working in their CfA program. All future, pending Federal Title IV aid will be suspended. A student on SAP Suspension has a right to appeal this decision.

Student will receive outreach by the OneStop Department when they are eligible for reinstatement.

Financial Aid SAP Appeal:

Students who have been placed on Financial Aid Suspension will be allowed to appeal this decision.

To be considered, the appeal must include the following:

1. A completed and signed appeal form
2. A personal statement explaining the factors contributing to the inability to meet the minimum standards of academic progress. This statement should also include steps taken to remedy the circumstances, which posed the challenge that prevented academic success.
3. An updated Academic Plan completed and signed by the student. The Academic Plan must bring the student to satisfactory academic progress (SAP) prior to the completion of the next term.

Approved Appeal:

A student who has an approved appeal is placed on SAP Probation and is eligible for Title IV funding.

- Notification is sent to the student's College for America email address.
- If the minimum mastery of competencies to regain SAP eligibility has not been met after the next term, the student will be immediately suspended from Title IV eligibility with no ability to appeal.
- If student is suspended after the next term the student can continue engaging in academic activity however, the financial responsibility lies with the student until such time that the student is meeting SAP.

Denied Appeal

If a student's appeal is denied:

- Title IV aid will remain suspended.
- Student will be sent notification via email indicating the results of the appeal.
- Student can regain Title IV eligibility at the start of the next payment period by meeting SAP.

- Student can continue engaging in academic activity; however, the financial responsibility lies with the student.

Students with questions regarding Satisfactory Academic Progress (SAP) should contact the One Stop Department at (cfaonestop@snhu.edu or 1-877-455-7648).

Maximum Timeframe

2-year Associate degree candidates will be allowed 7 terms of Title IV eligibility to complete this program. Engagement in academic activity outside of this timeframe will be the financial responsibility of the student.

Withdrawal Policy:

During a student's 6-month term, withdrawal is the appropriate action if the student wants or needs to pause his or her studies for a variety of reasons (e.g. medical, military, personal).

Trial Period of Enrollment:

CfA students are offered a trial period of enrollment which allows participation in the program before deciding to make a financial commitment to enroll and becoming a regular student for Title IV financial aid purposes. During the trial period of enrollment the student does not incur a financial obligation or earn Title IV federal financial aid.

First-term students:

The trial period of enrollment is described as days 1-30 for first-term students. College for America graduates who choose to enroll into another CfA degree program are afforded a new 30 day-trial period for the first term of the new program.

Returning-term students:

Returning students are provided a 14-day drop period at the beginning of subsequent terms during which they may also elect to withdraw without financial penalty. Students who withdraw during the 14-day period at the beginning of a subsequent term are considered regular students for Title IV federal financial aid purposes. If the student is otherwise eligible for Title IV federal financial aid he or she will be treated according to the Title IV federal financial aid withdrawal requirements, potentially including a Return of Title IV calculation and/or consideration for a Post-Withdrawal Disbursement.

Any competencies earned during the trial period of enrollment are not considered mastered unless the student fully enrolls in the term.

Student Initiated Withdrawal – (Official Withdrawal)

This process involves a few simple steps:

- Student consults with the Learning Coach
- Learning Coach sends the student the Exit Survey
- Student completes the Exit Survey
- The Exit Survey is electronically routed to Support and the Last Date of Participation (LDA) is noted on the withdrawal form
- Student's status is reported as withdrawn

When this process is initiated during the first 30 days of a student's first term:

- Even if the student has engaged in preliminary academic activity, the student is dropped at no charge for non-participation.
- Any previously scheduled Title IV federal financial aid will be cancelled.

When this process is initiated during the first 14 days of any subsequent term:

- If the student has not engaged in any academic activity, the student is dropped at no charge.
 - Any previously scheduled Title IV financial aid will be cancelled.
- If the student has engaged in academic activity the student is dropped at no charge.
 - A Return to Title IV federal financial aid funds (R2T4) calculation is completed using the student's last date of academic activity (LDA).
 - If eligible, a Post-Withdrawal Disbursement is offered.
 - The student is reported as withdrawn to the National Student Clearinghouse, and any outstanding student loans will enter the applicable grace period repayment.

Administrative Withdrawal – (Unofficial Withdrawal)

In accordance with College for America's Participation Policy, first-term students may be administratively withdrawn for the following reasons:

- Academic Plan not submitted by Day 14 of the term
- At least one Project not submitted by Day 30 of the term at 12:00 midnight Eastern Time
- Even if the student has engaged in preliminary academic activity, the student is dropped at no charge for non-participation.
- Any previously scheduled Title IV federal financial aid will be cancelled.
- The student is reported as withdrawn to the National Student Clearinghouse, and any outstanding student loans will enter the applicable grace period repayment.

Students who wish to withdraw prior to the end of a trial period of enrollment or a drop period should contact their Learning Coach and complete an Exit Survey.

Students may contact the OneStop Department with any questions related to billing or financial aid (cfaonestop@snhu.edu or 1-877-455-7648).

Readmission Policy

College for America students may need to restart their program due to a break in their studies or resulting from a program withdrawal. This policy applies to students who withdraw during the trial period of enrollment and outside the trial period of enrollment.

Students withdrawing during the trial period of enrollment:

The student should contact the CfA Support team at support@collegeforamerica.org or 1-855-764-8232 by the 20th business day of the month to discuss re-starting the program on the next term start.

The student is not responsible for tuition charges from the previous term because the withdrawal occurred during the trial period of enrollment.

The student does not retain any mastery of competencies or Goals earned during the trial period of enrollment because the process of enrollment was not completed.

Students withdrawing outside the trial period of enrollment:

The student is required to wait until the end of the current term to return (e.g. a student withdrawing three months into the current term must wait until the end of the term, in this case an additional 3 months) per Southern New Hampshire University policy.

The student is responsible for tuition charges for the term of withdrawal outside the trial period of enrollment.

If a balance exists students are required to make payment arrangements with OneStop before being readmitted to the program. The student may contact the OneStop office at cfaonestop@snhu.edu or 1-877-455-7648.

The student should contact the CfA Support team at support@collegeforamerica.org

Cancellation and Refund Policy

With the exception of the first term, for which there is a 30-day trial period, students have 14 days from the start of the term to cancel enrollment and receive a full refund of any tuition paid for that term. If the student withdraws after the 14-day period, the student will be responsible for the full tuition amount. If the student withdraws or is dismissed from CFA, the University and/or the student may be required to return a portion of any Federal Title IV financial aid received. A Return of Title IV calculation will be performed for any student who has received Federal Title IV financial aid to determine the amount of federal aid that must be returned to the federal government by the University and the student.

Grace Period Scholarship

A College for America student may be eligible for a Grace Period Scholarship if he or she meets the following criteria:

- The student entered the term with no more than one unfinished goal.
- The student mastered the final competencies of the entire degree in the first 14 days of the new term.
- The student is not continuing onto an additional CfA degree.
- The student's account is in good standing.

If a student needs to revise any submitted project work as a result of the review process and the mastery of said revisions extend beyond the 14th day, the student will be financially responsible for the full tuition of the new term.

The scholarship will not be granted until the student's CfA graduation review is complete and it is confirmed that his or her degree will be awarded:

- CfA Graduation Review may take 2-4 weeks upon completion of the program.
- CfA Grace Period Scholarship eligibility will be reviewed no later than 7 business days after graduation review is completed and case has been submitted to Support.

CfA reserves the right to determine eligibility on a case-by-case basis as needed.

Leave of Absence Policy

Students must sometimes interrupt their studies for a variety of reasons, whether financial, academic or personal. A student may leave CFA by either withdrawing from the program (this means leaving with no intention of returning) or by taking a Leave of Absence, (this

means leaving the program temporarily, with the firm and stated intention of returning by a specified date within the current term).

A student choosing to take a Leave of Absence (LOA) must first contact his or her Learning Coach to discuss any conditions that may be necessary for a smooth return to CFA. In order to approve an LOA, there must be a reasonable expectation that the student will return to CFA at the end of the LOA period.

A student may request an LOA by completing a Leave of Absence form, with supporting documentation, prior to the requested start of the LOA. Students are required to fill out all information on the form. An LOA is not considered official until approved by OneStop.

The number of days in the approved leave of absence, when added to the number of days in all other approved leaves of absence for the same student, may not exceed 180 days in any 12-month period. A student on an approved Leave of Absence will not incur additional charges and is not permitted to complete competencies while the leave is in effect. Upon return, the student will resume the program with the same number of competencies mastered and conditions that were in place prior to the beginning of the Leave of Absence period.

For students who were eligible for Title IV federal financial aid and who take an approved LOA, that student will remain in an in-school status for federal Direct Loan repayment purposes. Should the student fail to return on the agreed upon LOA return date, the student will be withdrawn from the program and CFA will report the change in enrollment status as of the withdrawal date to the National Student Clearinghouse (NSC). Students are eligible for one 6-month grace period after they stop attending a school at least half-time. The withdrawal will be effective as of the beginning of the Leave of Absence.

If student is not eligible for Leave of Absence, withdrawing from the program may be recommended. Students withdrawing from the program will be required to wait until the end of their current term in order to return (ex. student who withdraws 3 months into current term will need to wait additional 3 months to return) per SNHU policy. This guideline applies to all students regardless of their financial aid status.

- A student who withdraws outside of their trial period of enrollment will be responsible for charges.
- If balance exists, students are required to make payment arrangements with OneStop before they are admitted back into the program.
 - Please contact Support (support@collegeforamerica.org or 1-855-764-8232) and they will coordinate with OneStop (cfaonestop@snhu.edu or 1-877-455-7648) for readmissions to the program.

Next Steps

- Contact your Learning Coach to discuss your situation
- Request Leave of Absence Form from your Learning Coach or OneStop and follow instructions provided.
- Complete [Leave of Absence Form](#)
- Check your CfA email address for Leave of Absence Approval
- Contact OneStop with any questions (cfaonestop@snhu.edu or 1-877-455-7648)

Change of Start Date Policy

Students applying to College for America should choose a start date that best fits their needs on the Student Application. If a student needs to delay the start of their program, they should proceed as follows:

1. Start date change requests must be received by **Noon on the 24th of the month** before next term by contacting support@collegeforamerica.org (1-855-764-8232).
2. Start date change requests received **after Noon on the 24th of the month and within the student's trial period of enrollment** (first-term: days 1-30 and returning-term: days 1-14), may be made through the student's Learning Coach. Students will be required to complete an Exit Survey and will be readmitted to the start date requested.

Students are not permitted to change their start date after their trial period of enrollment has expired. Students in this situation who wish to discontinue their studies for any reason should contact their Learning Coach to initiate a Leave of Absence or Withdrawal. Students withdrawing from the program will be required to wait until the end of their current term in order to return (*ex. student who withdraws three months into current term will need to wait additional 3 months to return*) per Southern New Hampshire University policy.

A student who withdraws outside of their trial period of enrollment will be responsible for charges.

- If balance exists due to withdrawal from the program, students are required to make payment arrangements with OneStop before they are admitted back into the program.
 - Please contact Support (support@collegeforamerica.org or 855-764-8232) and they will coordinate with OneStop (cfaonestop@snhu.edu or 877-455-7648) to reenroll the student.

Best Times to Consider a Change to Your Start Date:

- Prior to beginning your program
- Within your trial period of enrollment

CFA Academic Year

College for America enrolls students at the beginning of each month of the calendar year. An academic year for a student extends for 12 months from the date of enrollment.

CFA Academic Holidays

On four holidays per year, CFA staff is not available for coaching, technical support, and Project evaluations. Students may continue working toward competency mastery and submit Projects for evaluation every day of the year. CFA holidays are: January 1st, July 4th, Thanksgiving Day (fourth Thursday in November), and December 25th.

Official Transcripts

College for America will only accept official copies of transcripts. Transcripts are deemed official when they are sent directly from the institution or if they are sent by the student in the original unsealed envelope bearing the institution's seal and/or logo. College for America will try to request the physical official copies of student's transcripts if they have two or less separate institutions from which they are ordering. If a student lists more than

two different institutions on their credit transfer form, then it is the student's responsibility to order their official transcripts. Transcripts can be sent via mail or through the electronic services of [Parchment](#) and the [National Student Clearinghouse](#). Transcripts that have been previously opened by the student are not deemed official; therefore, we will not accept those copies and another official copy will need to be ordered. In addition, transcripts that are sent electronically directly by the student will not be accepted.

Transfer Credit Policy

Transfer of Goals Between BA Degrees

Students who change BA degree programs receive credit for all mastered Goals and associated competencies. If a previously mastered Goal exists in both degree programs the Goal is transferred and the student does not repeat the Goal. If a previously mastered Goal does not exist in both degree programs the previously mastered Goal and associated competencies remain on the student transcript although the Goal does not count toward the degree requirements in the new program. Students must complete all degree requirements for the new degree program. Goals are not substitutable between degree programs. Competencies from Goals not fully mastered do not appear on the student transcript.

Transfer in of Credits Earned at Other Educational Institutions

All students enrolling in the Certificate in Healthcare Fundamentals must begin by mastering the 60 Competencies associated with the certificate program.

As written previously in the CFA Bachelor's Degree Admission Policy, students who enroll in CFA without an associate's degree from an accredited college or university or with fewer than 60 credits from an accredited college or university must begin by mastering the 120 Core Competencies. Upon completion of the 120 Core Competencies, students will earn an associate's degree from CFA. Students who enroll in CFA with an AA or AS degree from an accredited college or university, including the CFA AA in General Studies, are entitled to bypass the 120 Core Competencies (i.e., the competencies that make up the AA degree) and begin with the 120 Advanced Competencies that lead to the BA degree, provided the student has met or will be able to meet CFA's General Education requirements by the time of graduation.

Students who enroll in CFA and have an associate's degree from an accredited college or university that is other than an AA or AS (e.g., an AAS) or have already earned 60 college credits from an accredited college or university will be evaluated on a case-by-case basis to determine whether they may bypass the 120 Core Competencies and begin with the 120 Advanced Competencies.

Transfer out of Competencies Mastered or Credit Equivalencies to Other Educational Institutions

The University shall award three college credits for each CFA Goal that is mastered, up to 60 credits for the AA degree and up to 60 additional credits for the Advanced Competencies leading to the BA degree, for a total of 120 credits. However, CFA cannot guarantee credits earned will be accepted at another institution. The transferability of credits to another institution is solely at the discretion of that institution. If a student is planning to transfer to another institution, he or she should check with that institution on the transferability of the credits.

Three credits are earned with the mastery of each Goal. The tables that follow demonstrate which CFA Goals are equivalent to which Southern New Hampshire University courses.

University Statement of Student Rights

The University, as a community of people, is committed to furthering scholarship, academic pursuits, and service to our society. As an institution, our purpose is to ensure all students have an equal opportunity to fulfill their intellectual potential through the pursuit of the highest standards of academic excellence. Certain rights and obligations are inherent in membership in any academic community committed to such goals:

The rights of personal and intellectual freedom, which are fundamental to the idea of a university;

Strict respect for the equal rights and dignity of others;

Dedication to the scholarly and educational purposes of the University and participation in promoting and ensuring the academic quality of the institution.

Students are responsible for obtaining, learning and observing the established University policies as listed in all official publications. In addition, students must comply with the legal and ethical standards of the institution, as well as those of the state of New Hampshire, as well as any other laws, rules and or regulations of other relevant jurisdictions. All members of the community should inform the appropriate official of any violation of conduct regulations.

Students have the right to read and to study free from undue interference, to redress of grievances, to be heard by the College for America staff when they wish to voice concerns, needs, and programming ideas, to challenge prejudicial treatment and comments, to be themselves and to be proud of their background, to have respect from others, to have a fair and equitable disciplinary process, and to ask for advice and/or assistance.

Right to Procedural Fairness

Pending action on any disciplinary allegations, the status of students shall not be altered, nor are their rights to continue working toward a degree suspended, except to protect the well-being of students or staff. Only the Chief Academic Officer may make such a determination and direct provisional suspension.

Student Academic Complaint Policy

Purpose of Policy:

The purpose of the Student Academic Complaint policy is to provide students with an avenue to seek help or resolution when they feel the academic program or services have failed to meet reasonable expectations. Examples might include complaints about the design or delivery of Projects, or about the behavior of a Learning Coach or Reviewer. The Student Academic Complaint policy does not include evaluation appeals or student refunds. See Student Evaluation Appeal Policy for more information.

Process:

A student is first encouraged to address a concern with his or her Learning Coach. If the issue cannot be resolved at that level, a student who wishes to file an academic complaint must submit an email describing the nature of the complaint (with appropriate supporting documentation) and the resolution he or she is seeking to the Chief Learning Architect. The Chief Learning Architect (or designee) will review and research the concern to determine a fair resolution in consultation with the appropriate CFA departments. Every effort will be made to resolve the issue in a timely manner, and the student will be contacted during the process so that he or she will know the complaint is under consideration. While a complaint is being reviewed, the student should continue to participate in the program unless

instructed otherwise by the Chief Learning Architect. The decision of the Chief Learning Architect is final.

Student Evaluation Appeal Policy

Purpose of Policy:

The purpose of the Student Evaluation Appeal policy is to provide students with a process to seek help or resolution when they feel that an evaluation and/or feedback for a Project are erroneous.

Process:

A student should first correspond with the Reviewer directly through the learning management system to clarify the evaluation and/or feedback. If no resolution is found through communication with the Reviewer, the student should discuss this matter with his or her Learning Coach. When necessary, the Learning Coach will include the Senior Reviewer and/or Manager of the Feedback Center in the dialogue. If the issue cannot be resolved at that level, the student may submit an email to the Chief Academic Officer. The Chief Academic Officer will review the case and make a decision. The decision of the Chief Academic Officer is final.

Privacy of Student Records

The policies and procedures concerning the privacy of student records maintained by Southern New Hampshire University are in large measure governed by the Federal Family Education Rights and Privacy Act (FERPA). CFA's policies and procedures regarding this subject are largely the same as the University's and are available by the Office of the University Registrar.

Except when requested by a student or required by federal or state regulations, an educational record will not include information concerning race, religion, nationality, political or social views or memberships in organizations. Directory information (name, address, telephone numbers, degree program, etc.) may be released or published without a student's consent unless the student notifies the University that this information is not to be released by submitting an Authorization to Prevent or Resume Disclosure of Directory Information (see Appendix B).

Only members of the University staff with a legitimate educational interest, certain federal or state agencies and other education agencies completing surveys and studies for the University will ordinarily have access to a student's record without the written consent of the student concerned. One exception provides that parents have the right to view and to have copies of their child's educational record without their child's consent providing that the child is dependent upon the parents for federal income tax purposes.

Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.

A student should submit to the University Registrar, Chief Academic Officer, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not

maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the University to amend a record should write the University official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the University decides not to amend the record as requested, the University will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

The right to provide written consent before the University discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The University discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted as its agent to provide a service instead of using University employees or officials (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the University.

The student's education records will also be disclosed to individuals or organizations if the student has a signed "Authorization for Disclosure of Non-Directory Information" listing those specific individuals or organizations. Students who receive financial support for this program from their employers may be required to submit this form by that employer. However, College for America will not release Non-Directory Information to spouses, family members or other individuals unless the student is a child and dependent upon the parents for federal income tax purposes. This form is provided in Appendix A of this document.

The right to file a complaint with the U.S. Department of Education concerning alleged failures by the University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

- Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5901

The primary purpose of Directory Information is to allow the University to confirm attendance to prospective employers and other third parties, and to include this type of information from your education records in certain University publications.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without prior written consent. Disclosures of directory information will be limited to specific parties for specific purposes or both.

If you do not want SNHU to disclose directory information from your education records without your prior written consent, you must notify the University in writing. See the "Authorization to Prevent or Resume Disclosure of Directory Information" form in the Appendix B for this purpose.

Nondiscrimination

The College for America and Southern New Hampshire University do not discriminate on the basis of race, color, national origin, citizenship, religion, marital status, age, sex, sexual orientation or non-disqualifying disability in admission to, access to, treatment in or employment in their programs and activities. The following department has been designated to handle inquiries regarding the nondiscrimination policies: Office of Human Resources and Development, Southern New Hampshire University, 2500 North River Road, Manchester, NH 03106-1045.

Computers and Technology

Students are required to have access to a computer, an Internet connection, a webcam and an internal or external microphone. The program is not mobile-compatible, so mobile devices including cell phones and tablets are not to be used. It is recommended that Students download and install Google Chrome (free of charge). Students are not required to purchase any software. Projects can be completed using Microsoft or Google programs. All students will receive a College for America email account. The official method of communication for the program is the CFA email account and students are required to check it regularly.

Online Etiquette

All students are expected to adhere to strict etiquette policies when working in the online environment. Due to the open nature of the online community, students are expected to post appropriate and relevant content that is suitable to an academic environment. Since any number of sensitive topics may be discussed, students must maintain an open mind while reading their peers' postings. Students are required to be mindful of and respectful

toward the person receiving any communication. Any comments deemed disruptive to the learning environment may be permanently deleted and may result in disciplinary action.

[Southern New Hampshire University Network Acceptable Use Policy](#)

Southern New Hampshire University encourages the use and application of information technologies to support student needs. Users of Southern New Hampshire University equipment, software and computer accounts are expected to follow acceptable standards of ethics and conduct in their use of computing resources. All Southern New Hampshire University faculty, students and staff should be aware of the following acceptable use policy requirements.

Definition:

The Southern New Hampshire University network (SNHUnet) includes all computer and communication hardware, software and accounts owned by Southern New Hampshire University.

1. Every computer account issued by Southern New Hampshire University remains the property of Southern New Hampshire University. The person to whom the account is issued is responsible for the account and its use. This responsibility continues until the person is no longer a student or employee of Southern New Hampshire University, at which time all rights and responsibilities regarding the account are terminated. The individual must keep the account secure by keeping the password secret, by changing the password often and by reporting to the CFA student support helpdesk when anyone else is using the account without permission. Using another person's account or allowing someone else to use an account makes both parties potentially liable to disciplinary action.
2. The use of SNHUnet is prohibited for:
 - illegal purposes
 - transmitting threatening, obscene or harassing materials
 - interfering with or disrupting network users, services or equipment (disruptions include, but are not limited to, distribution of unsolicited advertising, propagation of computer viruses and using the network to make unauthorized entry to any other computers accessible via the network)
 - profit-making from the selling of services and/or the sale of network access
 - excessive private or personal business
3. The following activities are specifically prohibited:
 - tampering with Southern New Hampshire University-owned computer or communication hardware and software
 - defining and/or changing IP addresses on any machine
 - intercepting or attempting to intercept e-mail and file transfers
 - originating or attempting to originate mail from someone else
 - attempting to log on to computers without an account (other than using guest or anonymous accounts)
4. Data within computer accounts issued by Southern New Hampshire University are private. Access to data within computer accounts issued by Southern New

Hampshire University without written permission of the owner is prohibited. However, if there is probable cause to believe such data files or programs contain information relevant to a Southern New Hampshire University business requirement or legal proceeding, a person other than the authorized user may examine such data files or programs. Permission for such access would be granted by Southern New Hampshire University's Vice President of Operations. Access to accounts and/or data by the Department of Computing Resources for routine computer systems maintenance work is permitted.

5. Backup copies of all data in Southern New Hampshire University computer accounts are made routinely to protect against loss of data. No exceptions can be granted.
6. Requests to waive some policies will be reviewed by the Director of the Department of Computing Resources on an individual basis. Under no circumstances will a waiver be granted that violates state, local or other laws.
7. Confirmed misuse of Southern New Hampshire University's computing resources may result in one or more of the following punitive measures:
 - loss of access to computer resources
 - required repayment of funds expended in unauthorized use
 - expulsion from the University
 - termination of employment
 - legal action

The prohibited uses as defined above may also violate state and federal law; thus criminal penalties may also apply.

Voluntary Disclosure of Disability

If you have a disability and are seeking accommodations, please contact the Office of Disability Services at Southern New Hampshire University, located at 2500 North River Rd. Manchester, NH 03106, by calling 603-644-3118.

In order to be considered for services, documentation verifying a disability is required. Documentation guidelines can be accessed online at <http://www.snhu.edu/1347.asp>. For further information regarding Disability Services at SNHU, please visit <http://www.snhu.edu/603.asp>.

Disclaimer

This catalog is neither a contract nor an offer of contract. Every effort is made to ensure that the information in this catalog is accurate and up to date, but the University cannot accept liability for any errors or omissions. Fees, deadlines, academic programs, competency-based projects and policies are subject to change without notice.

Appendix A

Authorization for Disclosure of Non-Directory Information Form

The Family Educational Rights and Privacy Act of 1974 (FERPA) is a law that is designed to protect the privacy of your personal and academic information. You have the option to sign a waiver that allows College for America (CFA) at Southern New Hampshire University (SNHU) to release specific information about your education records to an individual (e.g., spouse, partner, parent or guardian) or to your employer or affiliated organization. This release may occur both on a regular basis and at the request of an individual or an organization you indicate in the form below. Please note that students whose affiliated organizations are covering tuition costs may be required by that organization to sign this form.

Below are examples of the types of information that could be released. CFA and SNHU will use our best judgment to never disclose more than necessary.

Academic Progress – orientation progress, the number of and specific competencies mastered, pace towards graduation, and last date of activity in the CFA Learning Environment

Learning Coach – name, contact information, and feedback from your Learning Coach
Billing Records – status of your tuition invoice. This information would never include personal financial records or financial aid status.

Enrollment Status – Your current status as a CFA student, including: enrolled, leave of absence/hiatus, student initiated withdrawal, Learning Coach initiated withdrawal, or administrative withdrawal.

FERPA Waiver
