## HAVE A GRIPE?

Students are constantly complaining about curriculum and activities. So where is everyone when meetings are called? Let's all begin to show concern by getting involved on campus. Not just by attending BYOB's, but by voicing your opinions and joining various activities.

A Concerned Student--D.F.

## MIS MAJORS

There is an important department meeting on Friday, February 16, at 12:00 noon in F-63. Be there, IT'S VERY IMPORTANT.

## SKI TEAM STANDINGS

The New Hampshire College Ski Team took THIRD place in the slalom at Middlebury College in Vermont on February 3 and 4. Bettered only by Dartmouth in top place and New England College in number 2 position, New Hampshire College led the rest of the field--Middlebury, Nasson, Hawthorne, Franklin Pierce, University of Maine--Portland-Gorham. Ski Team Coach Al Schettig says, "A win like this is a big morale builder for our ski team--beating schools that are scholarship subsidized and provided with facilities conducive to a good racing program, which includes full-time race coaching."

The NHC Ski Team traveled to Pat's Peak in Henniker this past weekend, placing in the top five in spite of icy slopes and generally bad conditions. This was a N.E.I.S.C. meet sponsored by New England College.

Upcoming is a New Hampshire College sponsored event on February 24 and 25, when we host the N.E.I.S.C. Northern Division at Crotched Mountain. In Coach Schettig's words, "We welcome the attendance of all of you who are interested in your progressing NHC Ski Team. They need your full support."

## PIANO PLAYER NEEDED

The Miss New Hampshire College Pageant urgently needs a pianist to accompany routines of the 8 NHC contestants. The girls will start rehearsals on Monday, February 19. Pianists please take note and contact either Mrs. Dorothy Rogers in Frost Hall 50, or Donna LeClerc at the SGA office. The Pageant Committee is willing to pay for a pianist.

## Students set businesses straight

VILLANOVA, Pa. — Life is a two-way street. Do something for others and they'll do something for you.

Such is the philosophy behind a novel enterprise initiated by a group of 50 juniors and seniors in the College of Commerce and Finance, Villanova University.

"We call ourselves 'Small Business Consultants, Inc.'," said James E. Machevich, 21, a senior. "We offer advisory service to small businesses which need help in one way or another setting books in orders, marketing advice, preparation of tax forms, financing, basic management ideas and the like. The service is free.

"We are not flaming liberals who are going to change the world. We figure it's a two-way street. We are gaining practical experience by helping others."

Behind the venture is the solid weight of Villanova faculty members, who are available to students for **guidance.**

Now in its second year, the service is attracting more and more clients. It expects to handle 20 projects **this year.**

## MERRIMACK VALLEY BRANCH

January 7, 1973

Mr. Edward Shapiro  
President  
N. H. College  
2500 N. River Road  
Manchester, N. H. 03104

Dear President Shapiro:

On behalf of the Merrimack Valley Personnel and Guidance Association, I would like to thank both you and the College for the fine hospitality shown to us on January 11th. Without question, the highlight of our meetings every year is our visit to New Hampshire College. This year the tour of the campus enhanced our visit, and I know it was enjoyed by all who partook of it. In fact as your college continues to grow, you may wish to continue the tour on a yearly basis.

Again thank you for everything.
