## HEALTH NOTES

Greetings from the Health Center. If you are not acquainted with us, you will find our office at the end of the ramp in Chocorua Hall.

Our office is open 8:00 a.m. to 4:45 p.m. Monday thru Friday, when school is in session.

We are here to help you in any way we can. You are our business.

Dr. Brena, the College Physician, holds office hours here (at no cost to students) Tuesday and Friday at 10:00 a.m. The only requirement is that you see us or call us to make an appointment, prior to 9:00 a.m. that day.

## FIRST DAY IS TODAY

Dean George J. Larkin, Jr. announces that 2 Manchester clergymen have graciously volunteered their services as chaplains to the New Hampshire College community. They are: Rabbi Arthur Starr of Adath Yeshurun Temple, who will be on campus Wednesdays from 11:30 a.m. - 1:30 p.m., and Reverend Florent Bilodeau, who serves as the fulltime chaplain at Notre Dame College. He will have office hours from 12:00 noon - 2:00 p.m. every Monday afternoon. Father Bilodeau has been a campus visitor on a regular basis for some time. He conducts the Sunday evening folk masses held at 7:00 p.m. in the Little Theater. Chaplains' office is first door at right of automatic doors--Student Center.

## TRANSPORTATION SYSTEM

It is expected within two to three weeks that a North River Road bus will be coming as far as the NHC campus. Chief Esson has been consulting with the Manchester Transit Company and as soon as they work things out with their union drivers, hope to have a transportation system from various locations downtown. The bus would arrive on campus hourly from 8:00 a.m. - 6:00 p.m. and leave campus about five minutes past the hour. Let's all hope this will become effective soon.

### FRONT PAGE NEWS

The H. A. B. Shapiro Memorial Library is getting nation-wide coverage these days as it appears in pictures on the January issue of the Personal Book Guide of Campbell & Hall (wholesale book dealers) Boston, Mass. 28,000 copies of this book catalogue go to book sellers, public and private libraries throughout the U. S. The library has a copy you may see. Both front and back covers, the contents page and an inside double-page spread feature exterior and interior scenes of the library and other shots of campus and students.

Mrs. Jordan is already receiving inquiries from afar. A librarian in Bremen, Indiana, requested information about the library furniture and shelving.

When asked how we achieved the scoop of such valuable free advertising (no other library, college or public, in New Hampshire has had it) Mrs. Jordan said, "It can be attributed to pleasant working rapport with Campbell & Hall."
