REF: REQUEST TO WORK WITH YOU AS A TECHNICAL ADVISOR

I am a student at the University of Southern New Hampshire that is in collaboration with the Open University of Tanzania. The center for studies is in Dar es Salaam. I am taking a second degree (MSC) in community economic development. The course will take 18 months.

One of the requirements of the course is to work with any community-based organization. After a survey I have decided to work with your group.

So please I kindly ask you to accept me. I will work with you as a technical advisor on assignments that you will assign me. My advice will be free of charge.

I am a degree holder in economics (1983) and theology (1994). Currently I am working with the Moravian Church as an expert in church projects. I have enough experience in writing project proposals.

Hopping to hear from you soon

Yours kindly.
