Re: Your Request to work with PALISEP

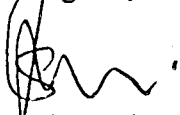

Kindly refer to your letter dated 10/12/03 concerning working with our organization.

We would be very happy working with you as far as community development is concerned. Our organization is focusing on supporting pastoralist communities on education, health, food security, environment, agriculture and livestock sectors.

Our main goal is enhancing livelihoods in pastoralist communities through poverty alleviation initiatives.

Hopefully we will be able to work together in building capacity of our people.

Re: REQUEST TO ASSIST IN YOUR ORGANIZATION

Kindly refer to the heading above.

I'm a Masters Degree student with the Open University of Tanzania taking a course on Community Economic Development. I would like to assist in your organization such as offering technical expertise in areas of project proposal, developing work plan, field work and technical advise on cross cutting issues of poverty, gender and the like.

I'm planning to work with your organization starting from this month till the end of my Masters program on January 2005 and after that period we can still work together through experience sharing and offering technical expertise.

Hopefully my request will meet your favourable consideration.

Yours sincerely,

Teresia R. Ole Mako
